Statement of Advising Philosophy:

I use holistic student and success coach approaches. I provide assistance, encouragement and a safe space for students to discuss issues or celebrate achievements. I teach students ways to navigate the complex and multi-entry points of higher education and strive to listen and guide students on the path that best suits them and focuses on student success.

I want to enhance student success, promote student engagement and active learning, and maximize opportunities for students to achieve their best selves.

Higher Education Experience:

- Athletic Academic Counselor, University of South Alabama. My main responsibility was to supervise football student athletes to make sure they had all the resources to be successful. I was the Student Athlete Advisory Council (SAAC) advisor as well as the PE 158 (Student Athlete Life Skills) instructor.
- Post Grad Intern, University of Minnesota. I worked with football student athletes to make sure they had all the resources to be successful.
- Graduate Assistant, Athletics Academic Services (Baseball), University of Louisville.
- U of L Grad, M.S. Sport Administration 2017
- Appalachian State University Grad, B.S. Elementary Education 2015

Personality profile, interests, etc.

I have 2 dogs that love to wrestle and go on walks. My life revolves around their schedule. I enjoy yard games like cornhole and Kan Jam. My favorite outdoor activity is snowboarding. If my television is on it is to watch sport.
