

# Compare quality and costs at hospitals and other facilities — on **anthem.com**

**Did you know that different facilities may charge different amounts for the same service?** Estimate your share of the costs before you get your care.

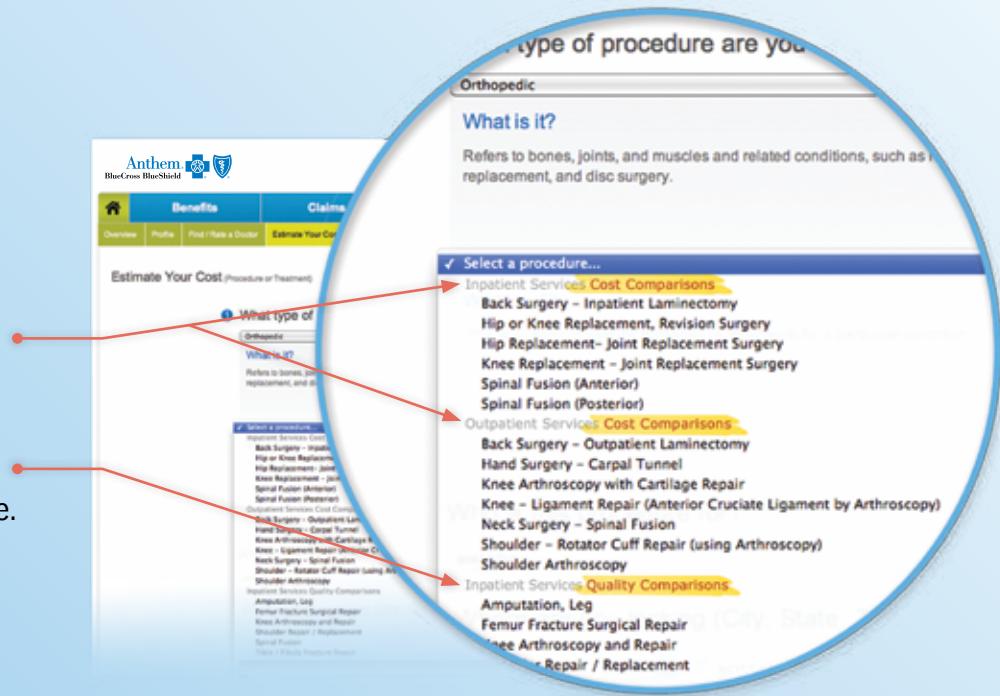

**Higher prices don't always mean better care.** Compare facilities based on their quality ratings for certain procedures — length of stay, patient experience, complications and more.

# Start by logging in to [anthem.com](https://www.anthem.com) and clicking on **Estimate Your Costs**.

It asks “What type of procedure are you looking for?”
