What is Long Term Disability insurance?

Long Term Disability (LTD) insurance helps replace a portion of your income for an extended period of time.

Eligibility Requirements

Long Term Disability:

Core Plan: All active full time employees working 30 hours or more per week, who are participating in the University's Retirement Plan and receiving University contributions.

Buy Up Plan: All active full-time employees working at least 30 hours per week who earn \$100,000 or more per year, who are participating in the University's Retirement Plan and receiving University Contributions.

How is "Disability" defined under the Plan?

Generally, you are considered disabled and eligible for long term benefits if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with your requirements of the treatment and you are unable to earn more than 80% of your predisability earnings at your own occupation for any employer in your local economy.

For a complete description of this and other requirements that must be met, refer to the Certificate of Insurance/Summary Plan Description provided by your Employer or contact your MetLife benefits administrator with any questions.

What is the benefit amount?

Long Term Disability:

The Long Term Disability benefit replaces a portion of your predisability monthly earnings, less other income you may receive from other sources¹ during the same Disability (e.g., Social Security, Workers' Compensation, vacation pay, etc.).

Your Employer provides a core benefit amount of 60% of your predisability monthly earnings subject to the plan's maximum monthly benefit of \$5,000.

If you are eligible for the "Buy-Up" benefit you may elect to purchase additional coverage or "Buy-Up" from your core plan. With the buy-up option you can increase your benefit up to a combined maximum of \$10,000 per month.

What is the maximum monthly benefit?

The amount of the Long Term Disability benefit may not exceed the maximum monthly benefit established under the plan, regardless of your annual salary amount. The maximum benefit under this plan is \$5,000 for the Core Plan. If eligible and you elect the Buy-Up Plan your combined maximum benefit is \$10,000. Your LTD benefit will be limited to the maximum.

When do benefits begin and how long do they continue?

Long Term Disability:

Benefits begin after the end of the elimination period. The elimination period begins on the day you become disabled and is the length of time you must wait while being disabled before you are eligible to receive a benefit. Your elimination period for Long Term Disability is 180 days.

Your plan's maximum benefit period and any specific limitations are described in the Certificate of Insurance/Summary Plan Description provided by your Employer.
