

DIVERSITY AND EQUITY CENTERS

CELEBRATE

BLACK HISTORY MONTH EVERY MONTH

Celebrating Black lives and the MANY contributions Black folx have made all around the world is embedded in all we do in the Diversity and Equity unit. We invite you to engage this short month as the beginning of a lifelong journey of celebrating and learning more about Black lives, history, joy, contributions, etc. Any history void of Black narratives and contributions is simply inaccurate. In the spirit of celebrating Black History Month, we would like to highlight our February initiatives and programs. Black history is necessary, beautiful and POWERFUL!
