

Final Paper After  
Jill Butters  
Fall 2009 FLC

Each student will prepare an Individual Reflection Paper with regards to the project, designed to incorporate several of the **Elements of Thought**. The paper should address each of the Elements as follows:

### Purpose

- What were you trying to accomplish through this project?
- Did you have any other **purpose** in conducting this project?
- What do you think the **purpose** of this assignment was from the instructor's **point of view**?

### Information

- What **information** did you use in pursuing your **purpose**?
- What additional **information** would have been helpful to you in accomplishing your **purpose**?

### Concepts

- What are the main **concepts** you used in the project?
- How did you use these **concepts**, either explicitly or implicitly?

### Assumptions

- What were your **assumptions** about the group before your project?
- How/why were those **assumptions** formed?
- In what ways were your **assumptions** accurate?
- In what ways were your **assumptions** not accurate?

### Points of View

- From what **point of view** did you approach your project?
- What other **points of view** did you consider?
- What other **points of view** should you have considered?
