

i2a at UofL: Lessons Learned

Patricia Payette, University of Louisville

Patty.payette@louisville.edu

Use this sheet to capture ideas, insights, thoughts, questions for your own change agenda.

- 1. Develop a strong/diverse core leadership/advisory team**
- 2. Involve stakeholders from across institution: faculty, staff, administration, students**
- 3. Establish early partners and collaborative projects with like-minded colleagues**
- 4. Take time to build a solid foundation: Focus on process**

5. “Keep the vision”: Underscore central core concepts of your change agenda

6. Test drive your innovation and gather data

7. Close the information loop

8. Invest in staff, resources and development activities for success

9. Attitude is everything: be flexible, learn to stretch, create excitement
