

International Student and Scholar Services

Currently enrolled at UofL

If you are a current student at UofL and are applying for another degree or different level of study, your immigration documents for the new program **CANNOT** be issued until completion of your current program or level.

If you are currently completing Optional Practical Training and want to start a new degree, you have 60 days from the EAD card's expiration date to get a new immigration document issued. You are required to begin the new program within a five-month period from the end of the OPT. You can study at UL or transfer to another school.

Please note: if you have not completed OPT and our office issues you a new I-20, you will be forfeiting your current OPT.

IMPORTANT: Financial Document (**NOT REQUIRED if you are receiving full University support**): Please find the amount below that reflects the costs of attending UofL. Your financial document must reflect this amount, which covers nine months or two academic semesters of non-resident tuition, living expenses and health insurance.

Undergraduate (Bachelor's) - \$41,260

Graduate School (Master's or Doctorate) - \$40,322

Programs of Study - Specific programs have different tuition cost, please refer to program's website or contact the program of study to determine the program cost for an academic year.

Living Expenses: \$10,000

Insurance: \$2,652

If you have further questions or concerns, do send us an email at iss@louisville.edu
