University of Louisville, Raymond A. Kent School of Social Work

**Teaching Engagement, Support and Mentorship Activities**

---

2023 Delphi Digital Academy participant

2023 Course Chair for SW605

2022 DelphiU Presenter

2022 Course Chair for SW604, SW640

2021 Small Teaching – FLC participant

2020 Kent School Pivot to Fall committee member

2020 Teachers Loving Teaching – co-facilitator

2020 Hybrid Course Design, Faculty Learning Community (FLC)

- Co-facilitated 6 weekly sessions and then 3 monthly sessions during Summer 2020 and Fall 2020

2020 Deans Educational Excellence Forum

2019 to 2021 Teachers Loving Teaching

- Co-facilitated monthly sessions.
- Support faculty with planning, development, and scheduling

2019 to present SW 605 Foundation Practice II Co-course chair

- Supported 3 faculty members that taught this course on campus

2019 to present SW 604 Foundation Practice I Co-course chair

- Supported 4 faculty members that taught this course on campus

2018 to 2019 Field Faculty mentor

- Provide support and mentorship to one new field faculty liaison.

2018 to 2019 SW 405 & SW 406

- Supported new faculty that is enlisted to co-develop and design new online courses for the BSW online program

2018 to 2019 Faculty Learning Community (FLC) participant (Delphi)

2017 to 2018 SW 303 & SW 304

- Supporting new faculty that is enlisted to co-develop and design new online course for the BSW online program.

2016 to present SW 640 EBP Individuals Families and Groups Course chair

- Supported 6 faculty members that teach this course online. Provided content, support and mentorship to all instructors (2022)
- Supported 12 faculty members that teach this course both online and on campus. Provided content, support and mentorship to all instructors. (2019).
- Supported new faculty that overtook the online course chair position (2018)
- Provided content, support and mentorship to 7 online course instructors (2017)
- Supported course chair and all 5 online course instructors. Provided content, support and mentorship to 5 online course instructors (2016)

2015 to present SW 604 Micro Practice Course chair

- Support 4 faculty members that teach this course online. Provided content, support and mentorship to all instructors (2022)

2015 to present SW 605 Macro Practice Course chair

- Supported 3 faculty members that teach this course both online and on campus. Provided content, support and mentorship to all instructors (2023)

2008 to 2010                      Field practicum supervisor

- Kent School Practicum supervisor to Master's Degree level students (CPRR grant)

### **Social Work Practice Experience**

---

**Term Faculty**, Kent School of Social Work

2019 to present

**Adjunct Faculty**, Kent School of Social Work

2013 to December 2018

**Program Manager**, Kent School of Social Work

**Project Director**, The Center for Promoting Recovery and Resilience for Children and Youth (SAMHSA)

2012 to December 2018

- Manage various aspects of the grant project funded by SAMHSA
- Responsible for coordination, as well as collaboration with project partners. Direct and ensure accomplishment of day-to-day activities to meet project objectives and goals.
- Individually consult with clinicians in order to enhance fidelity for the EBP models. Consult and collaborate on cases with individual clinicians specific to the EBP models: Trauma Focused-Cognitive Behavioral Therapy (TF-CBT), Trauma Systems Therapy (TST), Trauma Systems Therapy-Revised (TST-R), Families Overcoming Under Stress (FOCUS), Cognitive Behavioral Interventions for Trauma in Schools (CBITS) and Supporting Students that have Experienced Trauma (SSET).
- Perform liaison work with multiple community, state, and national organizations and institutions (social services, mental health services, refugee serving organizations, military).
- Coordinate activities of advisory group
- Contribute to the conceptualization, writing, development, design and conduct of training curriculums and community education programs.
- Manage needs assessments, design and implement surveys and focus groups. Organize, collect and analyze data for semi-annual and annual reports. Write program evaluation reports and manuals and make presentations to key stakeholders at the local, state, and national level.
- Oversee administrative, planning and operational issues and specific tasks. Supervise other program staff and multiple students.
- Provide feedback and support to students while encouraging students to use knowledge and skills to produce new learning.
- Students supervised under this project include: Ryan Tyler Hurst, Kris Bass, Fathia Feerayarre, Cat Ward, Jordan Wilfong, Sierra Thompson, Josh Bowling, Toya Northington, Amanda Minogue, and Elizabeth Long.

**Family Field Training Coordinator, Kentucky Autism Training Center**  
2010-2012

- Provided direct training, consultation and technical assistance to families, parent support groups, education staff, social and community personnel.
- Developed “Family Webinar Series” online training modules to increase support for service providers, family members and other caregivers statewide.
- Developed training materials and resources using evidence-based information.
- Coached and mentored collaborative partners
- Collaborated with families and professionals from varied disciplines from all regions of Kentucky in development of systemic supports and model programs.
- Provided support, resource and education to parents, service providers and other professionals.
- Maintained professional relationships within the state

**Jennifer Bobo, LCSW, PLLC, Private practice owner and therapist**  
2008-2012

- Provided therapeutic intervention services to children, adolescents and adults using individual and family therapy; crisis intervention; and assessment tools in a private, outpatient setting.
- Completed intake assessment process, maintained files and documentation in compliance of corporate, state and federal standards and provided continuous treatment planning and reviewing of progress to ensure quality and effective treatment.
- Diagnosed mental health, emotional and substance abuse disorders
- Created and employed marketing strategies to advertise and produce successful referral process
- Engaged in monthly peer consultation with practice providers to address clinical and administrative processes.

**Family Therapist II, Family and Children’s Place**  
2005-2010

- Addressed mental, behavioral and emotional issues that are affecting client’s daily lives and relationships with others. Constructively worked with individuals and groups to promote optimum mental health. Helped individuals deal with addictions and substance abuse; family, parenting and marital problems; school issues; developmental disorders in children; suicide; stress management; problems with self-esteem; and issues associated with aging and mental and emotional health.
- Provided mental health services for individual children and adults, couples and families experiencing behavioral and/or emotional problems.
- Encouraged clients to express their feelings and discuss what is happening in their

- lives and help them to develop insight into themselves and their relationships.
- Guided clients in the development of skills and strategies for dealing with their problems
- Conducted mental health assessments. Prepared and maintained all required treatment records and reports. Developed and implemented treatment plans.
- Referred clients or family members to community resources or to specialists as necessary.
- Counseled family members to assist them in understanding, dealing with, and supporting clients.
- Stayed up to date with evidenced based practice, learn about new developments in the field by reading professional literature, attending courses and seminars, and establishing and maintaining contact with other social service agencies.
- Certified in EMDR
- Supervised Kent School, Master's Degree level students
- Served as Kent School Practicum supervisor to Master's Degree level students school years 2008-2010.

**Chemical Dependency Technician, Seven Counties Services**  
2004-2006

- Created and conducted group sessions with adolescents, focusing on maintaining sobriety and teaching life skills to manage life without substances.
- Completed individualized assessments for adolescents and family members, focusing on substance abuse.

**Licensures/Certifications**
