2-Year Full Time MSCFT Curriculum Plan (60-hours) with ADC Specialization (additional 9-hours)

This 2-year program is for students who are able to carry a rigorous academic course load and are able to make financial arrangements that will allow them to focus on their academic obligations without working more than part-time. The Advanced Year Practicum must be a combined Couple and Family Therapy with ADC placement.

Please Note: This Curriculum Plan Begins in the FALL SEMESTER and must be followed carefully. Request admission to the ADC Specialization via email application to the Program Director during application to the MSCFT program.
