Dual-Degree MSSW-MSCFT Curriculum Plan (3-year, Fall Start, MSSW-MSCFT) – 84 Hours

The 3-year MSSW-MSCFT Program option allows a student to complete some of their foundational social work courses and continue to work before beginning their CFT coursework. However, the course load becomes increased each year, and therefore, in the 2nd and especially the 3rd years, it would be very difficult to maintain anything more than part-time work.

<u>IMPORTANT</u>: If applying to the MSSW 3-year plan, students may apply to the MSCFT degree simultaneously with the MSSW program, or they may wait until December of their 1st year to apply to the MSCFT program. Please watch MSCFT application deadlines closely. This curriculum plan beings in the FALL SEMESTER.
