Mission of the Kent School of Social Work

BSW and MSSW Program Mission

The Kent School of Social Work addresses complex social problems through education, research and service to create a just and better world.

Goals of the Kent School of Social Work

Program Goals

Goal I (BSW Curriculum): To ensure that graduates will be prepared at the undergraduate level to practice social work that is framed by a generalist practice base, and an ability to understand social problems at multiple levels.

Goal I (MSSW Curriculum): To prepare graduates of the MSSW program to engage in evidence based social work practice framed by a generalist social work base, utilizing the intellectual standards of critical thought to assess and improve their practice and develop intellectual traits of critical thinking.

Goal II (Relationship with the community): To build collaboration and partnerships for community building and problem solving.

Goal III (Knowledge development): To contribute to the development of new social work knowledge through scholarship and research.
