

## *BEHOLD 1500 LATINOS— EVERYONE GRADUATES!*

# Now a partner of “Doors to Hope”

**Behold 1500 Latinos—Everyone Graduates** is an all volunteer educational initiative that is our Hispanic Latino partner to the Sisters of Charity of Nazareth Ministry’s “Doors to Hope.”

We are made up of a collaborative group of Hispanic Latino community leaders from all walks of life—business, government, academic and theological disciplines who are taking it upon ourselves to organize special educational sessions between our Latino youth and a team of tutors to overcome the obstacles that impede progress in planning for higher education and, eventually, a college degree.

We already tested our initiative last year and experienced a great deal of success with our Behold 1500 Latinos—Everyone Graduates Pilot Program. Thanks to Rhonda Buchanan and the U of L Latin American Latino Studies we were able to enlist 16 tutors together with 16 Latino students aged from 14 to 18 and held our sessions for mainly math, english, college enrollment preparation and vocational guidance. The tutors paired up one-on-one with students at various classrooms at Jefferson Community Technical College’s International Center at 620 S. Third during 10 consecutive Saturday mornings in a row.

### **We are now recruiting for more tutors...**

If you feel you can offer a school subject on a high school level and assist one or more of our students (depending on schedule and location availabilities), just go to our website at <http://www.behold1500latinos.org> and go to the APPLICATIONS page and download the form and follow the instructions to submit your application.

### **There is no pay, but you will get the benefit of:**

- Knowing you’re filling a gap that is much needed
- Getting experience you can add to your resume/career
- Giving you references from the program directors for your career job search
- Making a difference that will impact our youth, their families and our future

### **Information for our Louisville Latino Youth Studies to be held at the 2914 S. Third Street’s “Doors to Hope” Center:**
