

# Latin American and Latino Studies Club's Winter Coat Drive for Kentucky Refugee Ministries

As the weather gets colder, Kentucky Refugee Ministries is in need of new and gently used winter coats, warm blankets, hats, gloves, and scarves for newly-arrived refugee families. The Latin American and Latino Studies Club will be collecting these items and delivering them to KRM on December 7. Household items and toys are welcome as well.

**Please drop off items to the LALS Offices in  
Stevenson Hall 304-306, Nov. 1– Dec. 6, 2016**
