

The Latin American and Latino Studies Club is Assisting with the Kentucky Refugee Ministries

Winter Coat Drive

With these chilly mornings and moving into winter, Kentucky Refugee Ministries is in need of winter coats for newly-arrived refugee families. They are in need of warm blankets, hats, gloves, and scarves, and new and gently used coats. The Latin American and Latino Studies program will be collecting these items and delivering them to KRM. Household items and toys are welcome as well.

**Please drop off items to LALS Offices in
Stevenson Hall 304-306, Nov. 3rd– Dec. 4th 2014**
