PERKS OF LIVING ON CAMPUS

Access to support team 24/7

Around-the-clock security and restricted key access

In-hall and inter-hall programming

Maintenance and cleaning of social and communal areas at no additional cost

Ville Grille and restaurant grab-and-go and fast casual choices abound

University Pointe, Cardinal Towne, and Denny Crum feature 11.5-month license agreements. These run from mid-August–August 1st. An 11.5-month licensing agreement allows you to stay in the same space during the summer months without an extra fee, perfect for any summer classes you might take.

Please note that we do follow the undergraduate calendar, which means graduate students would not normally be allowed to move in early or move out late due to varying schedules. University Housing would look at potential early move-ins on a case-by-case basis.
