# UNIVERSITY OF LOUISVILLE BRANDEIS SCHOOL OF LAW OFFICE OF PROFESSIONAL DEVELOPMENT

### 2021 SPRING OCI SYMPLICITY PROCEDURES

### **Purpose:**

The purpose of this document is to provide step-by-step instructions for students not familiar with the OCI module with Symplicity, the Office of Professional Development's (OPD's) online system. The OCI module is used to apply to employers participating in Spring & Fall Recruiting.

Applying to employers who are participating in On Campus Recruiting (OCI) through the Symplicity database is a straightforward process if you understand the three easy steps involved and the corresponding modules within Symplicity:

- Step 1: Review the list of employers participating in spring recruiting for your class year [OCI module]
- Step 2: Upload your application materials to Symplicity [Documents module, select "My Documents"]
- **Step 3:** Apply to individual employers [OCI module]

Each of these steps is explained in detail below.

Before you may begin, you must log onto Symplicity at <a href="https://law-louisville-csm.symplicity.com/students">https://law-louisville-csm.symplicity.com/students</a> and enter your Username and Password. If you haven't logged onto Symplicity before, consult the *Brandeis Job Search Handbook* on obtaining your user name and password. If you experience problems, contact Debra Reh, the Career Services Coordinator, at <a href="https://dx.dkreh@louisville.edu">dkreh@louisville.edu</a> or 852-6368.

# **Step 1**: Review the list of employers participating in Spring Recruiting for your designated class year.

- 1) From the Symplicity Home page, select "OCI" from the left sidebar menu and then select "Scheduling".
- 2) The 2021 Spring Recruiting schedule should appear in the "Session" box. If it doesn't, select it from the dropdown list.

<u>NOTE</u>: The Spring Recruiting session is currently open, and employers will continue to be added. Students have until 14 days (2 weeks) prior to when an employer is scheduled to recruit on campus to apply. Deadlines will be announced by the OPD and are posted on the OCI page on Symplicity.

3) Review all information about each employer, including hiring criteria, by clicking the "Review" button to the left of each individual employer's name. Review the hiring criteria listed and research the employers to determine whether each is a place where you would like to apply.

**REMINDER:** If an employer lists "preferred" hiring criteria, it is only that – preferred criteria and not required - and you are encouraged to apply if the employer meets with your career interests. If an employer has "required" hiring criteria, you must meet the criteria or be within a 10% "buffer" zone as explained in FAQ #3 of the *Spring Recruiting Instructions*.

- 4) Make a note of which documents each employer is requesting (e.g. Resume, Cover Letter) and the application method being used On Campus Interview (OCI), Resume Collection (RC) or Direct Send (DS).
  - If the application method is either an On Campus Interview (OCI) or a Resume Collection (RC), you will need to upload your application materials and apply through the Symplicity system since the OPD will bundle the applications and send them electronically to the employer.
  - If the application method is a Direct Send (DS), you will not need to upload your materials to Symplicity since the employer wants you to submit the materials directly to them either via email or through a submission portal on their website.

The instructions in this handout apply only to the On Campus Interview and Resume Collection Application processes, since these are the only two application methods requiring you to apply via Symplicity.

5) Once you determine which documents you need for each employer, you must upload the needed documents under the "Documents" module of Symplicity if it is either a Resume Collection (RC) or an On Campus Interview (OCI). If you do not upload the required documents, Symplicity will not allow you to apply (the "Apply" button only appears once all the required documents are uploaded).

Step #2 below provides more details on how to upload your documents.

### **Step 2:** Upload Your Application Materials into Symplicity

Select "Documents" on the left sidebar of Symplicity's homepage and then click on "My Documents".
 Symplicity will open to a page where you may upload multiple versions of your resume, cover letter and any other application materials that employers request.

<u>NOTE:</u> Employers cannot see any documents that you upload on this Documents page! Think of this page as a private portfolio for you to store your documents, which you may retrieve at any time from any computer.

- 2) Click the red "Add New" button. This will open a new page that will allow you to upload any of the documents listed below to Symplicity. This page defaults to the "Resumes" upload option.
  - Resumes will upload under "Resume" by selecting the proper radio button. You may upload more than one version of your resume. If you have multiple versions of your resume uploaded, you must select one version to serve as your "default" in Symplicity.
  - <u>Cover Letters</u> will be uploaded under "Cover Letter" by selecting the proper radio button. You will upload a different cover letter tailored for each employer. It is recommended that you label your cover letter with the name of the employer (e.g. "Smith Firm Cover Letter") so when you go to apply to each employer, you will know which cover letter to use. Note: Employers do not see what you label your documents in Symplicity.
  - <u>Transcripts</u> will upload under "Unofficial Transcript" by selecting the proper radio button. Your transcript must be a PDF. Follow the steps provided in the *Spring Recruiting Instructions*, located in the Document Library, to obtain your transcript. You must use UofL's ULINK to secure your law school transcript. You may not use any other method. If you attended UofL for your undergraduate degree, be sure to remove all undergraduate classes and grades from your transcript before you submit and scan to a PDF only your law school classes.

- <u>Writing Samples</u> will upload under "Writing Sample" by selecting the proper radio button. Your writing sample should be <u>no longer than 10 pages</u>. Review the chapter on Writing Samples in the *Job Search Handbook* for more information.
- Other Documents is an option for you to upload items such as a reference list, application form, or other material that may be unique to a particular employer. Normally the instructions under an employer will tell you when to use this radio button.
- 3) Select the radio button, provide a name for the document in the box marked "Label", upload the appropriate document, and then hit "Submit".
- 4) Repeat the above step for each of the documents you need to upload.
- 5) Once the above steps are completed, all your documents will be "housed" within the *Documents* module of Symplicity and available to you at any time from any computer (or your phone if you use the Symplicity App). To ensure each document was properly uploaded, click on the PDF version of your document. Check to make sure the document opens correctly and that there are no blank pages at the end of the document, which may have been caused by the PDF conversion process.

## **Step 3:** Apply to individual employers

Once you upload all your individual application documents to the "Documents" module on Symplicity, you are ready to begin applying to individual employers. **You have until <u>10:00 a.m.</u> on the submission deadline date for each employer to apply**. After this deadline, the system will lock, and you may no longer apply.

1) Go into the 2021 Spring Recruiting Session in the OCI module. If it does not automatically appear when you select the OCI module, select it from the "Session" dropdown box on the OCI page. Once you are in the 2021 Spring Recruiting Session, select the name of the individual employer to which you want to apply [see Step 1 above]. Select the documents you uploaded in Step 2 above and then hit the "Apply" button.

<u>HINT:</u> If you haven't uploaded all the necessary documents, you will not be able to see the "Apply" button. If this happens, go back to Step 1&2 above and upload all the needed documents for this employer into Symplicity so the system will allow you to apply.

- 2) If you uploaded more than one version of any required document (e.g. you have multiple cover letters uploaded), select the one you want to submit for this particular employer from the drop down menu.
- 3) After you have selected all the requested documents you want to submit for the employer, click "Apply". You will know you have successfully applied if the "Apply" button changes to "Withdraw".

<u>NOTE:</u> If at any time before the submission deadline you **wish to withdraw or change your application materials**, you may do so by simply clicking the "Withdraw" button, making the necessary changes to your documents, and then reapplying.

Repeat the steps above for every employer to which you wish to apply. If you run into problems, please keep in mind the helpful hints listed below or contact the OPD staff.

#### **HELPFUL HINTS:**

• If the *Apply* button does not appear, then recheck your work. At least one version of each of the documents the employer has requested must be uploaded under the My Documents module on Symplicity before the

system will allow you to click on "Apply" under the OCI module. If the required documents are not uploaded, the "Apply" button will not appear on the page.

- Keep in mind that the system is not smart enough to know whether you have uploaded the correct documents.
  Therefore, after you have applied to an individual employer, go back to the OCI homepage where you can click on links and check each of the documents you have uploaded next to the employer's name and confirm that they are correct.
- If you need to change documents after you have applied to an employer, the system allows you to do so. However, you may only make changes up until the deadline for the employer (10:00 a.m. on the application deadline date). After the deadline, you may no longer adjust your documents. If you realize there is a problem after the submission deadline, contact Ms. Reh or Dean Hajek.

<sup>\*</sup>For all questions and assistance, contact Ms. Reh in room 184 (<a href="mailto:dkreh@louisville.edu">dkreh@louisville.edu</a>) or Dean Hajek (<a href="mailto:laurel.hajek@louisville.edu">laurel.hajek@louisville.edu</a>) in room 182.
