

Flap Course 2017

12/9/2017

This activity was created to address the professional practice gaps listed below:

- Using the appropriate tissue transfer/flap in the surgical treatment of injuries to the upper limbs.
- Proficiently applying the proper use of free tissue transfers/flaps.
- Applying proper techniques and strategies to identify the different types of flaps and when they should be used.
- Recognizing upper extremity needs in patients after attending specially training in hand and microsurgery.

1. Please respond regarding how much you agree or disagree that the gaps listed above were addressed.

	Strongly Disagree			Strongly Agree
Participating in this educational activity changed your KNOWLEDGE in the professional practice gaps listed above. [14-3.57]	(0)	(1) 7.14%	(4) 28.57%	(9) 64.29%
Participating in this educational activity changed your COMPETENCE in the professional practice gaps listed above. [14-3.64]	(0)	(1) 7.14%	(3) 21.43%	(10) 71.43%
Do you feel participating in this educational activity will change your PERFORMANCE in the professional practice gaps listed above? [14-3.64]	(0)	(1) 7.14%	(3) 21.43%	(10) 71.43%

2. Please elaborate on your previous answers. (3)

Having theoretical education first and seeing the practice from educator and doing it yourself on the cadaver was a big chance to learn it best

excellent hands on course

Learned some new tips and techniques.

3. Please evaluate the effectiveness of the following speakers in improving your knowledge, competence and/or performance. (Poor = 1, Excellent = 4)

	Poor	Fair	Good	Excellent
Tuna Ozyurekoglu, MD [14-3.79]	(0)	(0)	(3) 21.43%	(11) 78.57%
Michelle Palazzo, MD [13-3.77]	(0)	(0)	(3) 23.08%	(10) 76.92%
Rodrigo Moreno, MD [14-3.79]	(0)	(0)	(3) 21.43%	(11) 78.57%

Lax Bhandari, MD [14-3.79]	(0)	(0)	(3) 21.43%	(11) 78.57%
Jason Cacioppo, MD [14-3.79]	(0)	(0)	(3) 21.43%	(11) 78.57%
Elkin Galvis, MD [14-3.79]	(0)	(0)	(3) 21.43%	(11) 78.57%
Huey Tien, MD [14-3.79]	(0)	(0)	(3) 21.43%	(11) 78.57%
Tsu Min Tsai, MD [14-3.79]	(0)	(0)	(3) 21.43%	(11) 78.57%
Donald Graham, MD [14-3.79]	(0)	(0)	(3) 21.43%	(11) 78.57%

4. Please elaborate on your previous answers. (3)

All the speaker are master for this course

All instructors were great

May use different flaps depending on need, location, etc.

5. Please identify a change that you will implement into practice as a result of attending this educational activity (new protocols, different medications, etc.) (10)

Use of different flaps

variety of flap coverage options

Better use of free flaps

For the next course we can use a foot also

Get more upper and lower extremity cadavers for fellow dissection

At least, I am more courageous to do all these flaps in my practice will apply in clinical setting

I know how to do some of the flaps.

help with flap coverage and vascularized bone grafts

Same as 4

6. How certain are you that you will implement this change? (11)

Certain ⁽⁵⁻
45.45%)

Very Certain ⁽⁵⁻
45.45%)

N/A ⁽¹⁻
9.09%)

7. What topics do you want to hear more about, and what issues(s) in your practice will they address? (8)

uses of flaps

Tendon transfer

Practical dissection is more effective

Talking about medical treatment and failure reasons may be more beneficial

local flaps and fibula bone graft

more local flaps of the fingers

This course gave well-rounded information on use of flaps for upper extremity.

8. Were the patient recommendations based on acceptable practices in medicine?

(12)

Yes (12-
100.00%)

10. Do you think the presentation was without commercial bias?

(12)

Yes (12-
100.00%)

12. Please provide any additional comments you may have about this educational activity. (5)

I am course director

Excellent course

This is good for fellows learning

It was a perfect activity, need to be continued same way

As one of the participants of this educational activity, we want to encourage you to implement those ideas that were appropriate to your healthcare environment.

This evaluation is confidential and no individual will be identified by this office (Continuing Medical Education and Professional Development). It will only be used for quality improvement.

We look forward to seeing you at future University of Louisville events. Thank you very much.
