#### **Attendee Cancellation, Substitution, Refund**

The course tuition is refundable, minus a \$20 processing fee, if your cancellation is received in writing no later than seven days prior to the conference. Attendee substitutions are allowed, but notification must be made in writing seven days prior to the conference. After that date, no refunds, credits, or substitutions will be granted. No refunds or credits will be given to those who “no show.”

#### **Recording and Photography**

The University of Louisville reserves exclusive rights to record (audio and video) and/or photograph conference proceedings for use in marketing materials, future presentations and other purposes.

#### **Attendance Policies**

##### **Guest Attendance**

All conference activities (including educational sessions, meal functions, exhibit hall participation and others) are exclusively reserved for seminar participants. Non-registered guests (including children, family members, colleagues and others.) are not permitted in the seminar areas.

##### **Conference Modification or Cancellation**

The University of Louisville and SC Liver Research Consortium reserve the right to modify the course's schedule, faculty or content if necessary. They also reserve the right to cancel this seminar, and in the unlikely event, a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of a seminar cancellation.

---

**Physicians (MD/DO)** - The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of 7.0 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. **Your  
Seminar  
Faculty**

**LUIS MARSANO, MD**

Dr Luis Marsano is a Professor at the University of Louisville School of Medicine and the Distinguished Chair of Hepatology at Jewish Hospital in Louisville. Dr Marsano received his medical degree at the Universidad Peruana Cayetano Heredia in Lima, Peru and then completed residency and fellowships in both Gastroenterology and Hepatology at the University of Miami. He is a frequent author on chronic liver disease and his areas of clinical research focus on acute and chronic hepatitis, cirrhosis, liver transplantation and gastrointestinal bleeding. Dr. Marsano has clinical boards in internal medicine, gastroenterology, and transplant hepatology.

**BARBRA CAVE, PhD, APRN, FNP-BC**

Barbra is a Family Nurse Practitioner and is Board Certified through the American Nurses Credentialing Center. She has been affiliated with the University of Louisville Division of Gastroenterology, Hepatology & Nutrition since January 2012 where she had become experienced in caring for patients with a variety of GI and liver diseases. Since June 2015, she has been the lead Nurse Practitioner at the Jewish Hospital Hepatitis C Clinic. Barbra serves a sub-investigator on numerous Gastroenterology and Hepatology clinical trials at the University of Louisville. She recently completed her PhD focusing on Hepatitis C and improving patient diagnosis and linkage to care and treatment
