(3)

review office practices

N/A

I am retired.

6. Please list any additional comments you may have about this educational activity.

(1)

The U of L CME program has been very helpful and supportive in the full accreditation process for CME programs at Flaget Memorial Hospital

As one of the participants in this RSS program, we want to encourage you to implement those ideas that were appropriate to your healthcare practice environment.

This evaluation data is confidential, and no individual will be identified by the office of Continuing Medical Education and Professional Development.

This data will only be used for quality assessment and improvement of future CME courses. Thank you very much.
