

Regularly Scheduled Series (RSS) Program Evaluation

OB-GYN Grand Rounds

July 1, 2018 through June 30, 2019

Thank you for your time in providing this valuable feedback which will be used to enhance future RSS programs.

1. Please respond regarding how much you agree or disagree.

	Disagree		Agree	
Participating in this RSS program changed my KNOWLEDGE. [6-3.17]	(0)	(0)	(5) 83.33%	(1) 16.67%
Participating in this RSS program changed my COMPETENCE. [5-2.60]	(0)	(2) 40.00%	(3) 60.00%	(0)
Participating in this RSS program changed my PERFORMANCE. [5-2.60]	(0)	(2) 40.00%	(3) 60.00%	(0)

If you agree, please list one or more areas of your improved knowledge, competence or performance.

(2)

Hardly a session when I didn't learn something genetic screening

2. Do you think the topics in this RSS program were presented without commercial bias or a conflict of interest?

(6)

Yes (6-
100.00%)

If you answered 'NO' to the above question, and if you believe there were commercially biased speakers/presentations, please list any you can recall.

3. Please rate:

	Poor	Fair	Good	Excellent
The overall quality of this RSS program. [6-2.67]	(0)	(3) 50.00%	(2) 33.33%	(1) 16.67%

4. Based on your educational needs and medical practice gaps, please suggest topics and/or speakers for future RSS programming in this medical discipline.

(6)

I have a list of them that have been invited for the coming year

more joint sessions (multiple departments)

Breast diseases/breast imaging, management of patients in ICU setting,

Management of Diabetes in pregnancy-managing the various types of insulin Healthcare Reform and health equity

The major problem is the funding since we can not attract top speakers

Possible solutions to the problems presented in this presentation

5. Please identify a change that you will implement into practice as a result of attending this educational activity (new protocols, different medications, etc.)

(5)

Just too many to name. Each session offers another opportunity to improve care

n/a

improved awareness of implicit bias, improved knowledge of new protocols and treatment options

we need more funding to get top speakers

Encourage young students and trainees to consider practice locations in rural areas

6. Please list any additional comments you may have about this educational activity.

(2)

Lets keep it going and hope to increase funding for more outside speakers

Could be held in a room more conducive to learning- room is too dark and cold

As one of the participants in this RSS program, we want to encourage you to implement those ideas that were appropriate to your healthcare practice environment.

This evaluation data is confidential, and no individual will be identified by the office of Continuing Medical Education and Professional Development.

This data will only be used for quality assessment and improvement of future CME courses. Thank you very much.
