

Regularly Scheduled Series (RSS) Program Evaluation
 Department of Surgery/Trauma Multidisciplinary Conference
 July 1, 2017 through June 30, 2018

Thank you for your time in providing this valuable feedback which will be used to enhance future RSS programs.

1. Please respond regarding how much you agree or disagree.

	Disagree		Agree	
Participating in this RSS program changed my KNOWLEDGE. [7-3.86]	(0)	(0)	(1) 14.29%	(6) 85.71%
Participating in this RSS program changed my COMPETENCE. [7-3.14]	(0)	(2) 28.57%	(2) 28.57%	(3) 42.86%
Participating in this RSS program changed my PERFORMANCE. [7-3.14]	(0)	(2) 28.57%	(2) 28.57%	(3) 42.86%

If you agree, please list one or more areas of your improved knowledge, competence or performance.

(4)

Improved knowledge on several important topic areas related to trauma and emergency medicine.

I don't have too many specific examples. I do think the most recent one on Airway Management simply refreshed some things I had learned in the past.

The various lectures are helpful in better understanding procedures and anatomy.

I am not clinical, therefore my practice was not affected.

2. Do you think the topics in this RSS program were presented without commercial bias or a conflict of interest?

(7)

Yes (7-
100.00%)

If you answered 'NO' to the above question, and if you believe there were commercially biased speakers/presentations, please list any you can recall.

3. Please rate:

	Poor	Fair	Good	Excellent
The overall quality of this RSS program. [7-3.43]	(0) 0%	(1) 14.29%	(2) 28.57%	(4) 57.14%

4. Based on your educational needs and medical practice gaps, please suggest topics and/or speakers for future RSS programming in this medical discipline.

(6)
continued topics on trauma and emergency medicine
Transfusion & blood products. Resuscitation of the pregnant patient. Elderly Trauma.
Lectures on different types of fractures
Drug Addiction
spinal cord injury
All

5. Please identify a change that you will implement into practice as a result of attending this educational activity (new protocols, different medications, etc.)

(5)
improve knowledge
n/a
Monitor treatment times

6. Please list any additional comments you may have about this educational activity.

(3)
good program. Should continue
n/a

As one of the participants in this RSS program, we want to encourage you to implement those ideas that were appropriate to your healthcare practice environment.

This evaluation data is confidential, and no individual will be identified by the office of Continuing Medical Education and Professional Development.

This data will only be used for quality assessment and improvement of future CME courses. Thank you very much.
