Attendee Cancellation, Substitution, Refund

The course tuition is refundable, minus a \$20 processing fee, if your cancellation is received in writing no later than seven days prior to the conference. Attendee substitutions are allowed, but notification must be made in writing seven days prior to the conference. After that date, no refunds, credits, or substitutions will be granted. No refunds or credits will be given to those who “no show.”

Recording and Photography

The University of Louisville reserves exclusive rights to record (audio and video) and/or photograph conference proceedings for use in marketing materials, future presentations and other purposes.

Attendance Policies

Guest Attendance

All conference activities (including educational sessions, meal functions, exhibit hall participation and others) are exclusively reserved for seminar participants. Non-registered guests (including children, family members, colleagues and others.) are not permitted in the seminar areas.

Conference Modification or Cancellation

The University of Louisville and SC Liver Research Consortium reserve the right to modify the course’s schedule, faculty or content if necessary. They also reserve the right to cancel this seminar, and in the unlikely event, a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of a seminar cancellation.

CME Information

Physicians (MD/DO) - The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of **10.0 AMA PRA Category 1 Credit(s)TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses - This program has been approved by the Kentucky Board of Nursing for 12.0 continuing education credits through University of Louisville Hospital, provider number 4-0068-12-22-1205. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

Nurse Practitioners and Physician Assistants - AANP and AAPA accept Category I credit from AMA PRA Category 1 Credit(s)TM organizations accredited by ACCME.

**Your
Seminar
Faculty**

BRADLEY FREILICH, MD

Dr. Bradley Freilich is a board-certified, fellowship-trained gastroenterologist with a special emphasis on hepatology, liver disease, and weight management. Dr. Freilich leads the Kansas City Research Institute. This clinical research unit is a leading site in liver disease and digestive disease states.

In addition to his practice, Dr. Freilich serves as the medical director of the Liver & Pancreas Institute at Research Medical Center. He is a diplomat of the American Boards of Internal Medicine and Gastroenterology and a member of American Association for the Study of Liver Diseases, and the American Gastroenterology Association.

Dr. Freilich earned his medical degree from the University of Missouri-Kansas City School of Medicine. He completed his internal medicine residency at Rush Presbyterian St. Luke's Medical Center in Chicago

RYAN TAYLOR, MD,MS

Ryan M. Taylor, is Associate Professor of Medicine in the Division of Gastroenterology/Hepatology, Department of Internal Medicine, at the University of Kansas School of Medicine. He has been a member of faculty at the University of Kansas since 2008 where he serves as the Medical Director of Liver Transplantation and Medical Director of Hepatology.

Dr. Taylor was a 2006-2007 American Association for the Study of Liver Diseases (AASLD) Advanced Hepatology Award recipient. He has served on the AASLD Maintenance of Certification (MOC) Committee since 2016 and is currently the MOC Committee Chair-Elect. Dr. Taylor has participated in over 30 clinical trials with research interests including viral hepatitis B and C, hepatocellular carcinoma, liver transplant outcomes, and acute liver failure.

NANCY TODD, APRN, NP-C, CGRN

Nancy Todd is licensed RN and Adult Nurse Practitioner working in the Department of Hepatology unit at the University of Kansas Health System in Kansas City since 2009. Prior to that, Ms. Todd worked with general GI patients and those with advancing liver disease at Truman Medical Center and at St. Joseph Medical Center.

She has been involved in many clinical research studies and clinical trial efforts to test the therapeutic advantages of new compounds for NASH, PBC and Viral Hepatitis.

Ms. Todd received her BSN at Rockhurst University/Research College of Nursing in Kansas City, Missouri and her Master of Science in Nursing degree from the University of Missouri-Kansas City.
