Attendee Cancellation, Substitution, Refund

The course tuition is refundable, minus a \$20 processing fee, if your cancellation is received in writing no later than seven days prior to the conference. Attendee substitutions are allowed, but notification must be made in writing seven days prior to the conference. After that date, no refunds, credits, or substitutions will be granted. No refunds or credits will be given to those who “no show.”

Recording and Photography

The University of Louisville reserves exclusive rights to record (audio and video) and/or photograph conference proceedings for use in marketing materials, future presentations and other purposes.

Attendance Policies

Guest Attendance

All conference activities (including educational sessions, meal functions, exhibit hall participation and others) are exclusively reserved for seminar participants. Non-registered guests (including children, family members, colleagues and others.) are not permitted in the seminar areas.

Conference Modification or Cancellation

The University of Louisville and SC Liver Research Consortium reserve the right to modify the course’s schedule, faculty or content if necessary. They also reserve the right to cancel this seminar, and in the unlikely event, a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of a seminar cancellation.

CME Information

Physicians (MD/DO) - The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of **10.0 AMA PRA Category 1 Credit(s)TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses - This program has been approved by the Kentucky Board of Nursing for 12.0 continuing education credits through University of Louisville Hospital, provider number 4-0068-12-22-1205. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

Nurse Practitioners and Physician Assistants - AANP and AAPA accept Category I credit from AMA PRA Category 1 Credit(s)TM organizations accredited by ACCME.

KENNETH E. SHERMAN, MD, PhD

Kenneth E. Sherman received his BS & PhD (Microbiology) from Rutgers University and his MD from George Washington University. Currently, he holds an endowed chair as the Gould Professor of Medicine and serves as the Director of the Division of Digestive Diseases at the University of Cincinnati College of Medicine.

Dr. Sherman's research interests center around viral hepatitis and the pathogenesis, evaluation and treatment of liver disease in those with HIV infection. He is an NIH-funded researcher and holds several patents. Dr. Sherman is the author of over 250 articles, abstracts and book chapters on viral hepatitis and other areas of liver disease. He has held numerous leadership positions in the field.

NAGA CHALASANI, MD

Dr. Chalasani currently serves as David W. Crabb Professor of Medicine and Interim Chair of the Department of Medicine at Indiana University School of Medicine. He previously served as the Director of the Division of Gastroenterology and Hepatology at the same institution from 2007 to 2020.

He completed his medical education in India and subsequently completed Internal Medicine Residency and Gastroenterology & Hepatology subspecialty training at Emory University in Atlanta.

Dr. Chalasani, a practicing hepatologist, is considered an authority in the fields of nonalcoholic fatty liver disease (NAFLD) and drug induced liver injury (DILI), two highly significant public health problems. His research has been continuously funded by the National Institutes of Health since 1999. He published over 300 original papers, 3 Practice Guidelines, 47 book chapters/review articles and more than 500 abstracts..

CARRIE JENNINGS, CNP

Carrie Jennings, CNP is a family nurse practitioner at the University of Cincinnati/UC Health Medical Center in Cincinnati, OH. She has been a member of the Hepatology team within the Division of Digestive Diseases since 2005, where she cares for patients with viral hepatitis, HIV, NASH and other liver diseases. She is involved in numerous clinical research efforts including co-investigator and sub investigator in HCV, HBV, NASH,

PSC and PBC clinical trials. She has co-authored peer reviewed publications and presented at several local, state, and national conferences.

Carrie earned her Master of Science in Nursing from the Ohio State University in 2005, and a Bachelor of Science in Biology in 2002. She is also an adjunct faculty member with the University of Cincinnati College of Nursing MSN program.
