

Scientific Meeting of the KY Chapter of the ACP Update in Internal Medicine 2021

9/17/2021

This activity was created to address the professional practice gaps listed below:

- Identifying medical apps and technology to assist in improve quality in patient care.
- Identifying how to work toward a fair, clinically accurate, and respectful approach to care that promotes transparency in medical records.
- Recognizing the role of telehealth services in preventing, diagnosing, treating, and controlling diseases a pandemic.

1. Please respond regarding how much you agree or disagree that the gaps listed above were addressed.

	Disagree		Agree	
Participating in this educational activity changed your KNOWLEDGE in the professional practice gaps listed above. [12-3.33]	(0)	(2) 16.67%	(4) 33.33%	(6) 50.00%
Participating in this educational activity changed your COMPETENCE in the professional practice gaps listed above. [12-3.50]	(0)	(0)	(6) 50.00%	(6) 50.00%
Do you feel participating in this educational activity will change your PERFORMANCE in the professional practice gaps listed above? [11-3.36]	(0)	(2) 18.18%	(3) 27.27%	(6) 54.55%

2. Please elaborate on your previous answers. (5)

I learn a lot in the session

The speakers were clear in their message.

I found the discussion of utilizing teleconferencing very informative. Also concerned about the new changes in transparency and the implications for some information being shared prematurely with patients.

I learned about the new transparency laws and how practices will be affected.

3. Please evaluate the effectiveness of the following speakers in improving your knowledge, competence and/or performance. (Poor = 1, Excellent = 4)

	Poor	Fair	Good	Excellent
Ralph Alvarado, MD, FACP [12-3.00]	(0)	(4) 33.33%	(4) 33.33%	(4) 33.33%
Jackie Boswell, MBA, FACMPE [12-3.00]	(0)	(3) 25.00%	(6) 50.00%	(3) 25.00%

Lauren E Robinson, MSLS [12-3.00]	(0)	(4) 33.33%	(4) 33.33%	(4) 33.33%
Robert Caudill, MD, DFAPA, FATA [12-3.50]	(0)	(1) 8.33%	(4) 33.33%	(7) 58.33%

4. Please elaborate on your previous answers. (4)

excellent

All speakers were well spoken and competent in their presentations.

Felt that the information provided by Drs. Alvarado and Caudill was very helpful

Dr. Caudill had an excellent presentation.

5. Please identify a change that you will implement into practice as a result of attending this educational activity (new protocols, different medications, etc.) (4)

i will think faster

Student. N/a

Will consider utilizing telemedicine more consistently in the future.

add teleconferencing to my practice in the future.

6. How certain are you that you will implement this change?

(8)

Very Certain (2-
25.00%)

N/A (1-
12.50%)

Maybe (5-
62.50%)

7. What topics do you want to hear more about, and what issues(s) in your practice will they address? (2)

Pandemic treatment

Covid vaccine hesitancy

8. Were the patient recommendations based on acceptable practices in medicine?

(9)

Yes (9-
100.00%)

10. Do you think the presentation was without commercial bias?

(9)

Yes (6-
66.67%)

No (3-
33.33%)

As one of the participants of this educational activity, we want to encourage you to implement those ideas that were appropriate to your healthcare environment.

This evaluation is confidential and no individual will be identified by this office (Continuing Medical Education and Professional Development). It will only be used for quality improvement.

We look forward to seeing you at future University of Louisville events. Thank you very much.

Scientific Meeting of the KY Chapter of the ACP Update in Internal Medicine 2019

9/20/2019

This activity was created to address the professional practice gaps listed below:

- Applying best practice models to engage and assist patients with Advanced Care Planning.
- Using point-of-care ultrasound in a competent manner as part of their patient assessments.

Scientific Meeting of the Kentucky Chapter of the ACP Update in Internal Medicine 9/29/2017

This activity was created to address the professional practice gaps listed below:

- Implementing current evidence based guidelines for breast cancer survivors.
- Implementing best practices for the management of obesity.
- Identifying the latest studies and treatments in Hospital Medicine.
- Recognizing current updates and trends in Gastroenterology.
- Implementing the most recent standards of practice and clinical concepts in pulmonary medicine.
- Optimizing utilization of advanced treatment options for heart failure, valve disease, or coronary disease in women.
- Applying current integrative wellness techniques to avoid Physician Burnout.

1. Please respond regarding how much you agree or disagree that the gaps listed above were addressed.

	Strongly Disagree		Strongly Agree	
Participating in this educational activity changed your KNOWLEDGE in the professional practice gaps listed above. [10-3.30]	(1) 10.00%	(0)	(4) 40.00%	(5) 50.00%
Participating in this educational activity changed your COMPETENCE in the professional practice gaps listed above. [10-3.20]	(1) 10.00%	(0)	(5) 50.00%	(4) 40.00%
Do you feel participating in this educational activity will change your PERFORMANCE in the professional practice gaps listed above? [10-3.00]	(1) 10.00%	(1) 10.00%	(5) 50.00%	(3) 30.00%

2. Please elaborate on your previous answers. (3)

improved knowledge

This educational activity improved my knowledge and competence in breast cancer and CV disease in women as well as changed my knowledge in physician burn out

ok

3. Please evaluate the effectiveness of the following speakers in improving your knowledge, competence and/or performance. (Poor = 1, Excellent = 4)

	Poor	Fair	Good	Excellent
Jesse Roman, MD [7-3.57]	(0) 0.00%	(0) 0.00%	(3) 42.86%	(4) 57.14%

Chris Simmons, MD PhD [7-3.29]	(0)	(1) 14.29%	(3) 42.86%	(3) 42.86%
Gretchen Wells, MD, PhD [6-3.67]	(0)	(0)	(2) 33.33%	(4) 66.67%
Adam Gray, MD [6-3.67]	(0)	(0)	(2) 33.33%	(4) 66.67%
Ryan Hurt, MD, PhD [7-3.57]	(0)	(0)	(3) 42.86%	(4) 57.14%
Elizabeth Riley, MD [7-3.57]	(0)	(0)	(3) 42.86%	(4) 57.14%
Phillip F. Bressoud, MD, FACP [7-3.29]	(0)	(1) 14.29%	(3) 42.86%	(3) 42.86%

4. Please elaborate on your previous answers. (4)

Format of presentation were effective and discussions were relevant to my practice. I will implement these treatments/startegies in my practice to improve patient care.

excellent speakers

see above

ok

5. Please identify a change that you will implement into practice as a result of attending this educational activity (new protocols, different medications, etc.) (9)

I will approach breast cancer survivorship in a different manner with regard to sexual health.

Consider HRT for healthy women with menopausal sx, discuss more post-survivor care aspects with breast cancer survivors, and seek out more opportunities to reduce physician burnout

I learned out to effectively address obesity management.

pe rule out more often

I wil implement the medications and treatment options for obesity. Hospital medicine and pulmonary Medicine were very informative and I will help me provide more education for my patients.

know the future of medicine

Diagnose malnutrition more

approach and awareness to CV disease in women; approach to colleagues, residents as well as myself with physician burn out

considering microvascular disease as a driver of CAD in women

6. How certain are you that you will implement this change?

(10)

Certain ⁽⁸⁻
80.00%)

Maybe ⁽¹⁻
10.00%)

Very Certain ⁽¹⁻
10.00%)

7. What topics do you want to hear more about, and what issues(s) in your practice will they address? (5)

Updates in primary care. More MOC opportunities for the PCP.

Endocrinology, Women's Health, ID topics

physician burn out

What are physicians to do about the electronic health records when they feel they are interfering with patient care? What are physicians to do when we feel the insurance company is interfering with quality patient care?

practice redesign

8. Were the patient recommendations based on acceptable practices in medicine?

(10)

Yes (10-
100.00%)

10. Do you think the presentation was without commercial bias?

(9)

Yes (9-
100.00%)

12. Please provide any additional comments you may have about this educational activity. (3)

Please provide address location as well as the building name on the brochure. Make sure that CME Handout for how to obtain credit is handed out at welcome desk.

excellent meeting. thank you

ok

As one of the participants of this educational activity, we want to encourage you to implement those ideas that were appropriate to your healthcare environment.

This evaluation is confidential and no individual will be identified by this office (Continuing Medical Education and Professional Development). It will only be used for quality improvement.
