	Disagree		Agree	
Participating in this educational activity changed your KNOWLEDGE in the professional practice gaps listed above. [6-4.00]	(0)	(0)	(0)	(6)100%
Participating in this educational activity changed your COMPETENCE in the professional practice gaps listed above. [6-4.00]	(0)	(0)	(0)	(6)100%
Do you feel participating in this educational activity will change your PERFORMANCE in the professional practice gaps listed above? [6-4.00]	(0)	(0)	(0)	(6)100%

#### 2. Please elaborate on your previous answers. (3)

It's always helpful to be more knowledgeable, so we can answer patient questions and help them feel more at ease.

Excellent education that was easy for all to understand

One of the best events I have attended. Was very interactive.

#### 3. Please evaluate the effectiveness of the following speakers in improving your knowledge, competence and/or performance. (Poor = 1, Excellent = 4)

	Poor	Fair	Good	Excellent
Beth Riley, MD [6-4.00]	(0)	(0)	(0)	(6)100%
Yoannis Imbert-Fernandez, PhD [6-3.67]	(0)	(0)	(2) 33.33%	(4) 66.67%
Rebecca Redman, MD [6-3.83]	(0)	(0)	(1) 16.67%	(5) 83.33%
Caroline Johnson [6-3.83]	(0)	(0)	(1) 16.67%	(5) 83.33%

**4. Please elaborate on your previous answers. (1)**

Great speakers.

**5. Please identify a change that you will implement into practice as a result of attending this educational activity (new protocols, different medications, etc.) (4)**

n/a

As a Nurse Educator, I will take my new knowledge of Clinical Research and incorporate this into new hire orientation.

using evidence based practice

NA

**6. How certain are you that you will implement this change?**

(5)

N/A <sup>(3-</sup>  
60.00%)

Certain <sup>(2-</sup>  
40.00%)

**7. What topics do you want to hear more about, and what issues(s) in your practice will they address? (2)**

It would be helpful for patients from outside of Metro Louisville have educational resources available too.

Breast Cancer research

**8. Were the patient recommendations based on acceptable practices in medicine?**

(4)

Yes <sup>(4-</sup>  
100.00%)

**9. If you answered No on the question above, please explain which recommendation(s) were not based on acceptable practices in medicine? (1)**

NA

**10. Do you think the presentation was without commercial bias?**

(5)

Yes <sup>(5-</sup>  
100.00%)

**11. If you answered No on the above question, please list the topics that were biased? (1)**

NA

**12. Please provide any additional comments you may have about this educational activity. (3)**

It would be helpful for patients from outside of Metro Louisville have educational resources available too.

interesting class

NA

As one of the participants of this educational activity, we want to encourage you to implement those ideas that were appropriate to your healthcare environment.

This evaluation is confidential and no individual will be identified by this office (Continuing Medical Education and Professional Development). It will only be used for quality improvement.

We look forward to seeing you at future University of Louisville events. Thank you very much.
