12:10 pm	<i>Luncheon and Industry Presentation</i>
12:50 pm	<i>Dessert and View Exhibits</i>
1:10 pm	NASH Treatments in Practice and in Development <ul style="list-style-type: none"> Current therapies for NASH including Updates from AASLD and EASL Lifestyle changes as a therapy Drugs in clinical development for NASH
1:40 pm	Review of Hepatitis C <ul style="list-style-type: none"> Highlight key themes from Pre-Reading 2 Advances in screening and surveillance Advances in therapies
2:30 pm	Hepatitis B: Epidemiology, Natural History and Testing <ul style="list-style-type: none"> The epidemiology of the Hepatitis B infection Efficacies and opportunities in HBV testing and vaccination Anti-viral therapies of HBV The growing relationship between HBV and HDV
3:00 pm	<i>Break & View Exhibits</i>
3:10 pm	Delta Hepatitis and Hepatitis E Update Nancy <ul style="list-style-type: none"> Worldwide perspective and promising research studies Real world outcome studies on HDV and HEV
3:40 pm	Cholestatic Liver Disease: Primary Biliary Cholangitis & Primary Sclerosing Cholangitis (PSC) <ul style="list-style-type: none"> Epidemiology of PSC and Ursodiol and Antibiotic Treatments Predicting outcomes and Improving Survival in PSC patients Causes and Markers of PBC Ursodeoxycholic Acid (UDCA) and Obeticholic Acid
4:15 pm	Closing Comments, Post-test and Wrap-Up - Program adjourns at 4:30 pm
Post-program activities	Lecture 3 - SARS-CoV-2 and its Effect on the Liver – 45 minutes Lecture 4 - Overcoming barriers to liver health in special populations - 45 minutes

Attendee Cancellation, Substitution, Refund

The course tuition is refundable, minus a \$20 processing fee, if your cancellation is received in writing no later than seven days prior to the conference. Attendee substitutions are allowed, but notification must be made in writing seven days prior to the conference. After that date, no refunds, credits, or substitutions will be granted. No refunds or credits will be given to those who “no show.”

Recording and Photography

The University of Louisville reserves exclusive rights to record (audio and video) and/or photograph conference proceedings for use in marketing materials, future presentations and other purposes.

Attendance Policies

Guest Attendance

All conference activities (including educational sessions, meal functions, exhibit hall participation and others) are exclusively reserved for seminar participants. Non-registered guests (including children, family members, colleagues and others.) are not permitted in the seminar areas.

Conference Modification or Cancellation

The University of Louisville and SC Liver Research Consortium reserve the right to modify the course’s schedule, faculty or content if necessary. They also reserve the right to cancel this seminar, and in the unlikely event, a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of a seminar cancellation.

**CME
Information**

Physicians (MD/DO) - The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of **10.0 AMA PRA Category 1 Credit(s)[™]**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses - This program has been approved by the Kentucky Board of Nursing for 12.0 continuing education credits through University of Louisville Hospital, provider number 4-0068-12-22-1264. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

Nurse Practitioners and Physician Assistants - AANP and AAPA accept Category I credit from AMA PRA Category 1 Credit(s)[™] organizations accredited by ACCME.

NANCY REAU, MD, FAASLD

Dr. Nancy Reau is currently Associate Director of Solid Organ Transplantation and Section Chief of Hepatology at Rush University Medical Center. Dr. Reau received her undergraduate (B.A.) at Oberlin College in Oberlin Ohio and Doctor of Medicine (M.D.), cum laude, from the Ohio State University in Columbus, Ohio.

She completed a medicine residency and a gastroenterology fellowship and did her advanced transplant hepatology fellowship at Johns Hopkins Medical Center. She was employed at Rush University Medical Center in Chicago IL as the Medical Director of hepatology Clinical and Translational.

Dr Reau is a fellow of the American Gastroenterological Association and fellow of the American Association for the Study of Liver Diseases. She has also been the annual honoree of the Illinois chapter of the American Liver Foundation.

ANJANA PILLAI, MD

Anjana Pillai, MD, is an Associate Professor of Medicine at the University of Chicago Medicine and a board-certified gastroenterologist and transplant hepatologist who specializes in the management of chronic liver disease and hepatobiliary malignancies.

Dr. Pillai is the medical director of University of Chicago's multidisciplinary liver tumor program, the medical director of the Adult Living Donor Liver Transplant Program and the Program Director for the ACGME accredited Transplant Hepatology Fellowship.

Dr. Pillai is also an active researcher with a focus on hepatocellular carcinoma, cholangiocarcinoma and transplant oncology. In 2019, she co-founded the HCC Therapeutics Targets Conference (HCC-TAG), a national conference that is geared towards bringing clinicians and researchers in academia and the pharmaceutical industry for a focused interactive educational update on the most relevant advances and challenges in the diagnosis and therapy of HCC

ALLISON MOSER, MSN, FNP-BC

Allison Moser is a nurse practitioner in the Division of Hepatology at Northwestern Memorial Hospital. She received her Bachelor of Science in Nursing at the University of Miami in Coral Gables, Florida and Master of Science in Nursing, summa cum laude, from Loyola University Chicago in Maywood, Illinois.

Allison's clinical interests include viral hepatitis, hepatocellular carcinoma, and prehabilitation/nutritional therapy. She is involved in research initiatives regarding NASH, Wilson's disease, and hepatic encephalopathy. Allison has been a member of the Illinois

Board of Directors for the American Liver Foundation (ALF) and served as co-chair for the Associate Medical Advisory Committee (AMAC). She is currently a member of the American Association for the Study of Liver Diseases (AASLD) Associate Special Interest Group (SIG) and the Illinois Society for Advanced Practice in Nursing (ISAPN).
