

Adding the Bookmark Link/Icon to Your Android or iPhone 2022

1. Enter <https://bit.ly/rsscredit22> in your browser. The Certificate screen will be displayed.

2. Enter your CME Tracker email and password or select Create New Account.
3. Check the **“Save Email”** box.
4. Tap on the phone upload icon at the bottom of your phone screen (iPhone) or the Menu icon in the upper right-hand corner of the Browser (Android):

5. Select **“Add to Home Screen.”** The Activity Check In icon is now loaded onto your phone for future use.
6. At each RSS session, sign-in, enter the Activity Code that is provided to you during the RSS session, complete the brief evaluation and then click **“Submit.”**
7. Online RSS CME/CE credit submissions will be reflected on your transcript instantaneously.
