

## Outcomes Survey

### University of Louisville Dermatology Spring Meeting 2023 Outcomes

#### 1. Please rate the following aspects of this activity.

(1=Strongly Disagree, 2=Disagree, 3=Undecided, 4=Agree, 5=Strongly Agree, 6=N/A)

	Strongly Disagree					N/A	
Attending this activity improved my competence. [3-5.00]	(0)	(0)	(0)	(0)	(3)	100%	(0)
Attending this activity improved my performance. [3-5.00]	(0)	(0)	(0)	(0)	(3)	100%	(0)
What I learned from this activity has helped me improve my patient outcomes. [3-5.00]	(0)	(0)	(0)	(0)	(3)	100%	(0)

#### 2. If this activity improved your competence, please tell us how. (1)

My differential diagnosis for patients improves after the meetings.

#### 3. If this activity improved your performance, please tell us how. (1)

The clinical cases reviewed improve my differential diagnosis.

#### 4. Discuss how your Patient Outcomes (omit patient names) have improved as a result of attending this activity. (1)

No outcome changes but attending meetings leads to being a better physician.

#### 5. Identify practice changes you have made as a result of attending this activity. (3)

Considered other treatment options for hair loss that I was not educated on previously.

The meeting discussed being politically active. Goal is now to be more involved.

#### 6. What topics do you want to hear more about, and what issue(s) in your practice will this help address? (1)

Diagnosis of pediatric hair loss, treatment of adult hair loss, how to use ANA to diagnose connective tissue diseases

#### 7. What is your Degree?

(4)

MD/DO (2-50.00%)

NP (2-  
50.00%)

This evaluation is confidential and no individual will be identified by this office (Continuing Medical Education and Professional Development). It will only be used for quality improvement.

We look forward to seeing you at future University of Louisville events. Thank you very much.
