Attendee Cancellation, Substitution, Refund

The course tuition is refundable, minus a \$20 processing fee, if your cancellation is received in writing no later than seven days prior to the conference. Attendee substitutions are allowed, but notification must be made in writing seven days prior to the conference. After that date, no refunds, credits, or substitutions will be granted. No refunds or credits will be given to those who “no show.”

Recording and Photography

The University of Louisville reserves exclusive rights to record (audio and video) and/or photograph conference proceedings for use in marketing materials, future presentations and other purposes.

Attendance Policies

Guest Attendance

All conference activities (including educational sessions, meal functions, exhibit hall participation and others) are exclusively reserved for seminar participants. Non-registered guests (including children, family members, colleagues and others.) are not permitted in the seminar areas.

Conference Modification or Cancellation

The University of Louisville and SC Liver Research Consortium reserve the right to modify the course’s schedule, faculty or content if necessary. They also reserve the right to cancel this seminar, and in the unlikely event, a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of a seminar cancellation.

Physicians (MD/DO) - The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of **6.0 AMA PRA Category 1 Credit(s)**TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME Information

Nurses - This program has been approved by the Kentucky Board of Nursing for 7.2 continuing education credits through University of Louisville Hospital, provider number 4-0068-7-16-878. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

Nurse Practitioners and Physician Assistants - AANP and AAPA accept Category I credit from AMA PRA Category 1 Credit(s)TM organizations accredited by ACCME.

**Your
Seminar
Faculty**

TSE-LING FONG, M.D.

Dr. Tse-Ling Fong is Associate Professor of Medicine and former Medical Director of the USC Liver Transplantation Program. Dr. Fong obtained his medical degree from the University of Southern California.

A long standing member of American Association for the Study of Liver Disease, he was elected Fellow (inaugural class) in 2014. Since 2002, he has been named every year to “Best Doctors in America” distinction. He has published extensively in chronic hepatitis B, hepatitis C, liver transplantation and drug-induced liver injury.

TRAM TRAN, MD

Tram Tran, MD is Medical Director of Liver Transplantation at the Liver Disease and Transplant Center at Cedars-Sinai.

Dr. Tran has broad research interests in the areas of viral hepatitis B and C, liver transplantation and recurrent disease following transplantation. She is an internationally recognized expert and NIH funded researcher in the field of chronic hepatitis B, and is active in patient and community advocacy on hepatitis B prevention and treatment. She has authored and co-authored numerous abstracts, papers and chapters in these fields and published in journals such as Hepatology, the Journal of Hepatology and Liver Transplantation.

LUCY MATHEW, ACNP-BC

Lucy Mathew is a nationally certified Nurse Practitioner with a Master’s degree in the specialty of Acute Care Nurse Practitioner. She graduated from UCLA in 1998.

For the past fourteen years, she has been working with patients with a variety of liver diseases, specializing in viral hepatitis and cirrhosis. She is an expert in this field and has given many lectures to peers. Lucy is also involved in many clinical trials at Cedars Sinai Medical Center. She has organized nursing symposiums and has been a speaker in many local and national level educational meetings.
