PAUL MARTIN, MD

Paul Martin is Professor of Medicine and Chief of the Divisions of Gastroenterology and Hepatology at the University of Miami, Miami, USA. He is a native of Dublin, Ireland, where he graduated with honors from medical school at University College, Dublin. He received a Doctorate in Medicine from the National University of Ireland.

Dr. Martin specializes in internal medicine and gastroenterology, training initially in Dublin and subsequently in Canada. He trained in hepatology as a Fellow in the Liver Unit at the National Institutes of Health in Maryland. He is Editor-in Chief of *Liver Transplantation* and Chair of the Gastroenterology Board at ABIM where he serves on the Council. He was previously a Councilor at Large on the Board of the American Society of Transplant. He is a Fellow of the Royal Colleges of Physicians of Ireland and London. He has had a long standing interest in viral hepatitis and organ transplant.

CYNTHIA LEVY, MD

Dr. Cynthia Levy is a native of Brazil, where she graduated from medical school at Universidade Federal do Rio de Janeiro. She completed residency in Internal Medicine first at her home institution and then at University of Miami/Jackson Memorial Hospital. Dr. Levy undertook training in Gastroenterology at Mayo Clinic Rochester, MN, and subsequently went to University of Florida, Gainesville, for a Transplant Hepatology Fellowship, later joining their staff. In 2010 she returned to the University of Miami as an Associate Professor of Medicine.

Dr. Levy currently serves as the Assistant Director for the Schiff Center for Liver Diseases and is the Program Director for the Transplant Hepatology Fellowship. She has a strong research interest in autoimmune and cholestatic liver diseases and runs both investigator-initiated and industry-sponsored studies. With international recognition, she has more than 50 peer-reviewed publications, including original papers, editorials, and book chapters.

CARLA MOLLINER, MMS, PA-C

Carla Molliner is a nationally certified physician assistant specializing in hepatology at the University of Miami, Hepatology division. She graduated and completed PA school from Miami-Dade College in 2004 then earned her Master of Medical Science degree at Nova Southeastern University. She holds the national board recertification examination by the National Commission for Certification of Physician Assistants.

Carla was awarded an NP/PA clinical Hepatology fellowship from the American Association for the Study of Liver Disease (AASLD) between 2005 and 2006. Followed by joining the University of Miami in the outpatient Hepatology clinic. She then joined the inpatient hepatology consult team, and has been an integral member for the past three years. She was recognized as a “U”-Shine employee for continuously exhibiting teamwork, professional manner, and excellent patient care among other distinguished behaviors.
