Attendee Cancellation, Substitution, Refund

The course tuition is refundable, minus a \$20 processing fee, if your cancellation is received in writing no later than seven days prior to the conference. Attendee substitutions are allowed, but notification must be made in writing seven days prior to the conference. After that date, no refunds, credits, or substitutions will be granted. No refunds or credits will be given to those who “no show.”

Recording and Photography

The University of Louisville reserves exclusive rights to record (audio and video) and/or photograph conference proceedings for use in marketing materials, future presentations and other purposes.

Attendance Policies

Guest Attendance

All conference activities (including educational sessions, meal functions, exhibit hall participation and others) are exclusively reserved for seminar participants. Non-registered guests (including children, family members, colleagues and others.) are not permitted in the seminar areas.

Conference Modification or Cancellation

The University of Louisville and SC Liver Research Consortium reserve the right to modify the course’s schedule, faculty or content if necessary. They also reserve the right to cancel this seminar, and in the unlikely event, a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of a seminar cancellation.

Physicians (MD/DO) - The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of **6.0 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME Information **Nurses** - This program has been approved by the Kentucky Board of Nursing for 7.2 continuing education credits through University of Louisville Hospital, provider number 4-0068-7-18-1017. The Kentucky Board of Nursing approval of an individual nursing education provide does not constitute endorsement of program content.

Nurse Practitioners and Physician Assistants - AANP and AAPA accept Category I credit from AMA PRA Category 1 Credit(s)[™] organizations accredited by ACCME.

NANCY REAU, MD, FAASLD

Dr. Nancy Reau is the Associate Director of Solid Organ Transplantation and Section Chief of Hepatology at Rush University Medical Center. Dr. Reau received her undergraduate (B.A.) at Oberlin College in Oberlin Ohio and doctorate of medicine (M.D.), cum laude, from the Ohio State University in Columbus, Ohio.

She completed a medicine residency and a gastroenterology fellowship and did her advanced transplant hepatology fellowship at Johns Hopkins Medical Center. She was employed at Rush University Medical Center in Chicago IL as the Medical Director of hepatology Clinical and Translational.

Dr Reau is a fellow of the American Gastroenterological Association and fellow of the American Association for the Study of Liver Diseases. She has also been the annual honoree of the Illinois chapter of the American Liver Foundation.

Your Seminar Faculty

DILIP MOONKA, MD

Dr. Dilip Moonka is the Medical Director of the Henry Ford Liver Transplant Program, is an expert in liver transplantation and hepatitis C. As previous director of Henry Ford's Viral Hepatitis Clinic, he developed unique and highly effective protocols for patients suffering from hepatitis B who are in need of liver transplantation. In addition, as director of clinical research in that division, he published studies on more effective and safer immunosuppressions.

Dr. Moonka also has extensive experience in clinical research on hepatitis C with both novel therapies and pegylated interferon. Dr. Moonka earned his medical degree from Stanford University in Palo Alto, California where he also completed a residency in internal medicine. He completed a fellowship in gastroenterology at the University of Pennsylvania in Philadelphia with advanced training in liver disease. He is board certified in internal medicine and gastroenterology
