**Your Seminar
Faculty**

NANCY REAU, MD

Dr. Nancy Reau is currently Associate Director of Solid Organ Transplantation and Section Chief of Hepatology at Rush University Medical Center.

Dr. Reau received her undergraduate (B.A.) at Oberlin College in Oberlin Ohio and doctorate of medicine (M.D.), cum laude, from the Ohio State University in Columbus, Ohio. She completed a medicine residency and a gastroenterology fellowship and did her advanced transplant hepatology fellowship at Johns Hopkins Medical Center.

She was employed at Rush University Medical Center in Chicago IL as the Medical Director of hepatology Clinical and Translational. She is a fellow of the American Gastroenterological Association and fellow of the American Association for the Study of Liver Diseases. She has also been the annual honoree of the Illinois chapter of the American Liver Foundation.

SCOTT J. COTLER, MD

Scott J. Cotler, MD, is Professor of Medicine and Division Director of Hepatology at Loyola University Medical Center.

Dr. Cotler divides his time between a busy clinical practice and clinical and translational research. His research focuses on viral hepatitis, hepatocellular carcinoma, and non-alcoholic fatty liver disease. Dr. Cotler has published a large number of original articles and reviews and has lectured widely on topics related to liver disease.

VIKIE SHAH . OLSON, DNP, ANP-BC

Vicki Shah was born outside of Toronto, Canada and grew up in sunny Southern California. She received a Bachelor's of Science in Biochemistry with minor in Mathematics from California State University, Long Beach. After joining a neuroscience research team at UCLA, she was immediately drawn to medicine. Ms. Shah graduated from Midwestern University in Downers Grove, IL with a Masters in Medical Sciences and Physician Assistant Studies.

Vicki recently joined the Hepatology clinic at Rush University with a strong dedication to providing education as a preceptor for multiple medical schools, lecturer for conference speaker and researcher for new Hepatology advances. She is also an active member of AASLD and AAPA.
