Attendee Cancellation, Substitution, Refund

The course tuition is refundable, minus a \$20 processing fee, if your cancellation is received in writing no later than seven days prior to the conference. Attendee substitutions are allowed, but notification must be made in writing seven days prior to the conference. After that date, no refunds, credits, or substitutions will be granted. No refunds or credits will be given to those who “no show.”

Recording and Photography

The University of Louisville reserves exclusive rights to record (audio and video) and/or photograph conference proceedings for use in marketing materials, future presentations and other purposes.

Attendance Policies

Guest Attendance

All conference activities (including educational sessions, meal functions, exhibit hall participation and others) are exclusively reserved for seminar participants. Non-registered guests (including children, family members, colleagues and others.) are not permitted in the seminar areas.

Conference Modification or Cancellation

The University of Louisville and SC Liver Research Consortium reserve the right to modify the course’s schedule, faculty or content if necessary. They also reserve the right to cancel this seminar, and in the unlikely event, a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of a seminar cancellation.

CME Information

Physicians (MD/DO) - The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses - This program has been approved by the Kentucky Board of Nursing for 7.2 continuing education credits through University of Louisville Hospital, provider number 4-0068-7-16-878. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

Nurse Practitioners and Physician Assistants - AANP and AAPA accept Category I credit from AMA PRA Category 1 Credit(s)TM organizations accredited by ACCME.

CRAIG McCLAIN, MD

Craig J. McClain, M.D., is an internationally distinguished clinician and scientist in the fields of gastroenterology, hepatology, alcohol abuse, nutrition, cytokine research, and hepatic drug metabolism. He is a professor of Medicine at the University of Louisville School of Medicine

Dr. McClain has made many seminal contributions to the field. In an early influential study published in the Journal of the American Medical Association (JAMA) in 1980, he described the deleterious interactions in the liver between alcohol and acetaminophen. In another landmark study, published in the journal Hepatology in 1989, Dr. McClain was the first to describe dysregulated cytokines in alcoholic hepatitis. This ground-breaking study is the second most cited liver pathobiology article in Hepatology over the past 25 years. Over time, Dr. McClain's work has increasingly focused on translational and interventional studies, including a seminal clinical study in 1993 demonstrating the beneficial effects of nutritional supplementation in alcoholic hepatitis patients

MATTHEW C. CAVE, M.D.,

Dr. Matthew Cave is an associate professor of Medicine at the University of Louisville's School of Medicine. He also has joint appointments at Louisville's Department of Pharmacology and Toxicology, the Department of Biochemistry and Molecular Genetics and has an academic appointment at the Robley Rex Veterans Affairs Medical Center in Louisville, Kentucky.

Dr. Cave is active in many professional societies including: the American Gastroenterological Association (AGA); American Association for the Study of Liver Diseases (AASLD); the Kentucky Medical Association and the Southern Society for Clinical Investigation. Dr. Cave has been published extensively in esteemed medical journals and has written or collaborated on many medical texts.

Your Seminar Faculty

BARBRA CAVE, MSN, APRN, FNP-BC

Barbra Cave is a Family Nurse Practitioner and is Board Certified through the American Nurses Credentialing Center. She began her nursing career as a critical care nurse in the Neuroscience and Transplant ICU at Jewish Hospital in Louisville, KY after graduating from Bellarmine University in 2003 with a degree in biology, then in 2005 with her accelerated Bachelor of Science in Nursing. In 2010 she returned to school and became a Family Nurse Practitioner, once again graduating from Bellarmine University.

Her initial role as a Family Nurse Practitioner was in Pediatric Nephrology. The opportunity to join the University of Louisville Division of Gastroenterology, Hepatology, and Nutrition presented in January 2012. After developing expertise in caring for patients with Inflammatory Bowel Disease, liver diseases including cirrhosis, NASH, Hepatitis C, Alcoholic Hepatitis, and others, Ms. Cave became an integral part of the new Jewish Hospital Hepatitis C Clinic. The dedicated clinic opened in June 2015, and Barbra serves as the lead provider in the Nurse-Practitioner driven clinic.
