

Advances in Neurology 2014

May 31, 2014

Churchill Downs Derby and Oaks Rooms, 4th Floor

700 Central Ave Louisville, KY 40208

<http://bit.ly/neurology14>

Advances in Neurology 2014 is a CME event for neurologists, primary care physicians, neuroscientists, nurses, nurse practitioners, psychologists, physician assistants, and healthcare professionals covering a broad variety of topics in neurology including headache, epilepsy, multiple sclerosis, and movement disorders.

Course Directors

Michael Sowell, MD

Associate Professor in Neurology and Pediatrics
Director, University of Louisville Comprehensive Headache Program
Director, University of Louisville Child Neurology Residency Program
Louisville, Kentucky

Justin T. Phillips, MD

Adult Neurology Co-Chief Resident
Department of Neurology
University of Louisville
Louisville, Kentucky

Learning Objectives

1. Diagnose and treat multiple sclerosis using the appropriate disease-modifying therapy to improve patient outcomes.
2. Utilize the various options for treatment of refractory epilepsy to improve patient outcomes.
3. Identify the indications for Deep Brain Stimulation in Parkinson's disease to improve patient outcomes.
4. Apply new acute and preventive treatment of migraine headache to improve patient outcomes.

Accreditation

The University of Louisville School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
