

9th Annual Advances in Neurology 2017

Updates in Epilepsy and Headache

May 20, 2017

Churchill Downs, Derby and Oaks rooms, 700 Central Avenue, Louisville, KY
40208

<http://bit.ly/neurology17>

The 9th annual Advances in Neurology course hosted by the University Of Louisville Department Of Neurology will be held in conjunction with the annual spring meeting of the Commonwealth Neurological Society. The conference will offer continuing medical education credit, as well as, continuing education credit for nurses, nurse practitioners, psychologists and other allied health professionals. This year's focus will be on epilepsy and headache, two areas within neurology which are quite common and have undergone significant recent advances.

Course Director

Michael K. Sowell, MD, FAHS

Professor of Neurology
Associate in Pediatrics

Director, University of Louisville Comprehensive Headache Program
Director, University of Louisville Child Neurology Residency Program
President, Commonwealth Neurological Society
Louisville, KY

Course Co-Director

M. Steven Evans, MD

Director
