See Page 2 for CME and CE credit details.

Course Description

Critical Events in Obstetrics will be a one-day CME course, which will offer didactic lectures in the morning combined with simulation-based learning in the afternoon. Not only will it focus on the clinical management of events unique to parturients, but will highlight the importance of multidisciplinary communication and teamwork. Evidenced-based, up to date recommendations on critical events will be presented. The afternoon session will consist of hands on experience using human patient simulators, including the CAE Lucina childbirth simulator.

Target Audience

Providers participating in the care of parturients including obstetricians, maternal fetal medicine specialists, nurse midwives, labor and postpartum nurses, anesthesiologists, CRNAs, emergency room physicians and emergency medical technicians.

Learning Objectives

- > Recognize communication barriers that exist in a critical situation.
- > Discuss the presentation and management of an amniotic fluid embolism.
- > Identify provider related issues in peripartum hemorrhage and identify at-risk parturients.
- > List unique causes of cardiac arrest in the pregnant population and identify modifications of the Advanced Cardiac Life Support protocol for parturients.
- > Practice interdisciplinary crisis management and communication skills through simulation.

KEYNOTE SPEAKER

Dr. Robert Gaiser

Professor of Anesthesiology
Past-president Society for Obstetric Anesthesia and Perinatology

Participating Faculty

Dr. Mark Boswell
Chairman and Professor
Department of Anesthesiology
University of Louisville
Louisville, KY

Dr. Regina Fragneto
Professor
Department of Anesthesiology
University of Kentucky
Lexington, KY

Dr. Detlef Obal
Assistant Professor of
Anesthesiology
University of Louisville
Louisville, KY

Dr. Sara Petruska
Associate Professor of
Obstetrics & Gynecology
University of Louisville
Louisville, KY

Dr. Karen Playforth
Assistant Professor of
Obstetrics & Gynecology
University of Kentucky
Lexington, KY

Dr. Mary Sterrett
Assistant Professor of
Obstetrics & Gynecology
University of Louisville
Louisville, KY

Planning Committee

Dr. Lori Kral Barton
Assistant Professor
Department of Anesthesiology
University of Kentucky
Lexington, KY

Dr. Kari Beth Christie
Assistant Professor
Department of Anesthesiology
University of Louisville
Louisville, KY

Dr. Rana Latif
Associate Professor
Department of Anesthesiology
University of Louisville
Louisville, KY

Dr. Rainer Lenhardt
Professor
Department of Anesthesiology
University of Louisville

Dr. Anupama Wadhwa
Professor
Department of Anesthesiology
University of Louisville
Louisville, KY

Designation Statements

Physician Credit — The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of 7.75 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses — This program has been approved by the Kentucky Board of Nursing for 9.3 continuing education credits through University of Louisville Hospital, provider number 4-0068-7-16-924. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

Accreditation Statement

The University of Louisville School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Special Services

All individuals are encouraged to participate. To request disability arrangements, please contact **Amy Reid** at amhenr01@louisville.edu at least 14 days prior to the date of this program. Continuing Medical Education and Professional Development fully complies with the legal requirements of the ADA and the rules and regulations thereof.
