**Attendee Cancellation, Substitution, Refund**

The course tuition is refundable, minus a \$20 processing fee, if your cancellation is **received in writing no later than seven days prior** to the conference. Attendee substitutions are allowed, but notification must be made in writing seven days prior to the conference. After that date, no refunds, credits, or substitutions will be granted. No refunds or credits will be given to those who “no show.”

**Recording and Photography**

The University of Louisville reserves exclusive rights to record (audio and video) and/or photograph conference proceedings for use in marketing materials, future presentations and other purposes.

**Attendance Policies**

**Guest Attendance**

All conference activities (including educational sessions, meal functions, exhibit hall participation and others) are exclusively reserved for seminar participants. Non-registered guests (including children, family members, colleagues and others.) are not permitted in the seminar areas.

**Conference Modification or Cancellation**

The University of Louisville and SC Liver Research Consortium reserve the right to modify the course’s schedule, faculty or content if necessary. They also reserve the right to cancel this seminar, and in the unlikely event, a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of a seminar cancellation.

---

**Physicians (MD/DO)** - The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credit(s)*<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**CME Information**

**Nurses** - This program has been approved by the Kentucky Board of Nursing for 7.2 continuing education credits through University of Louisville Hospital, provider number 4-0068-7-16-878. The Kentucky Board of Nursing approval of an individual nursing education provide does not constitute endorsement of program content.

**Nurse Practitioners and Physician Assistants** - AANP and AAPA accept Category I credit from AMA PRA Category 1 Credit(s)<sup>TM</sup> organizations accredited by ACCME.

**Your Seminar  
Faculty**

**R. TODD FREDERICK, MD**

Dr. Todd Frederick is a transplant Hepatologist with the San Francisco Center for Liver Disease at California Pacific Medical Center. He currently serves as Fellowship Director for Transplant Hepatology as well as the Director of Quality and Clinical Protocols for the Division.

Dr. Frederick was appointed by San Francisco Mayor Gavin Newsom to serve on the Hepatitis C Task Force in 2009 where he assisted in drafting recommendations to the City for an approach to the HCV epidemic. Dr. Frederick is a member of several professional societies, including the American Gastroenterological Association, the American Association for the Study of Liver Diseases, and the European Association for the Study of the Liver.

**DANIELLE BRANDMAN, MD, MAS**

Dr. Danielle Brandman is an Assistant Professor of Medicine and hepatologist, specializing in treating patients needing liver transplants. Her research interests include nonalcoholic fatty liver disease and post-transplant metabolic syndrome. She engages in outcomes-based research with a special interest in NAFLD and liver transplantation.

Dr. Brandman received her medical degree at UMDNJ New Jersey Medical School in 2005. She continued her medical training at University of California, San Francisco, where she completed her residency, gastroenterology fellowship, transplant hepatology fellowship, and master's degree in clinical research. Dr. Brandman is certified by the American Board of Internal Medicine in internal medicine and gastroenterology. She is a member of the American Association for the Study of Liver Disease (AASLD).

**KERRY DECKER, RN, MSN, ANP-BC**

Kerry Decker's clinical role is as a nurse practitioner on the inpatient adult liver transplant service, where she manages patients with decompensated cirrhosis who are waiting for and recovering from liver transplant surgery. With her experience working in primary care, she has a special interest in bridging continuity of care between health care settings and easing transition for patients and their families.

Kerry is passionate about promoting opportunities for education and career development for nurses and nurse practitioners. She has been a clinical instructor of nursing at Massachusetts General Hospital and a preceptor at UCSF. She is also co-director of the Surgical and Critical Care Nurse Practitioner Fellowship Program at UCSF.
