

The following suggested course sequence is designed for undergraduate JUNIOR and SENIOR students at UofL. The courses are sufficient in breadth and depth to allow undergraduate students to apply for admission to UofL's graduate program in speech-language pathology. The coursework does not provide a certificate of speech-language pathology or an undergraduate degree in the field. Moreover, successful completion of the coursework does not guarantee admission to UofL's graduate program. The courses completed are considered *electives* to each student's undergraduate plan of studies.

Junior Year (Fall Semester)

CMDS 405 Introduction to Audiological Techniques and Rehabilitation
CMDS 464 Normal Speech and Language Development
CMDS 270 Clinical Observation

3 Credit Hours
4 Credit Hours
1 Credit Hour

Notes

This course can be taken as a sophomore.

Junior Year (Spring Semester)

CMDS 272 Anatomy & Physiology: Speech/Hearing Mechanism
CMDS 471 Functional Neuroanatomy
CMDS 463 Clinical Phonetics

3 Credit Hours
3 Credit Hours
3 Credit Hours

This course can be taken as a sophomore.

Senior Year (Fall Semester)

PSYC 571 Speech Science
CMDS 474 Global Perspectives in Communicative Disorders
CMDS 270 Clinical Observation (if not taken previously)

3 Credit Hours
3 Credit Hours
1 Credit Hour

Senior Year (Spring Semester)

CMDS 430 Aural Rehabilitation

3 Credit Hours

The American Speech-Language-Hearing Association (ASHA) also requires that applicants for certification also complete coursework from the following four areas: (1) biological science, (1) physical science (chemistry or physics), (1) social-behavioral science (psychology/sociology), and (1) math-based statistics. The following courses from UofL are suggested:

- Biological Science: BIOL 102, BIOL 240, or BIOL 242 (lab not required)
- Physical Science: CHEM 101, CHEM 105, or CHEM 201 (lab not required) | PHYS 111 or PHYS 221 (lab not required)
- Social-Behavioral Science: PSYC 201, PSYC 301, PSYC 305, or PSYC 306 | SOC 201, SOC 202, SOC 210, or SOC 301
- Math-Based Statistics: PSYC 301, SOC 301, or MATH 109
