

## Internship Program Admissions

Date Program Tables are updated: 08/20/2018

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

Applicants who match with our program have a decided focus on child/adolescent/pediatric healthcare careers. Graduates are equally divided between those who go into academic-affiliated children's medical center settings, independent healthcare settings, and academic university departments of psychology.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

Total Direct Contact Intervention Hours	N	<u>Y</u>	Amount: 400
Total Direct Contact Assessment Hours	N	<u>Y</u>	Amount: See below

**Describe any other required minimum criteria used to screen applicants:**

A minimum of 10 integrated child/adolescent psychological assessments (with full integrated reports) is required for candidate consideration. Preference is given to applicants whose clinical practica and experiences reflect a child/adolescent/pediatric healthcare emphasis.
