- PALS (Pediatric Advanced Life Support) - Instructor, Baystate Medical, 2006 – 2007

## ACADEMIC CURRICULUM & COURSE DEVELOPMENT:

- Director/Track Leader, Pediatric Resident Global Health Distinction Track, Sept 2022 – current
- Domestic Global Health Elective, Elective Developer and Co-Coordinator  
New 2 week intensive elective for senior Pediatric Residents  
Pediatric Residency Program, University of Louisville  
Feb 2021, April 2021, Nov 2021, March 2022, Oct 2022
- “Redemption Hospital: An Acute Resource-Limited Global Health Simulation”  
Novel ½ day global health preparatory simulation for Pediatric residents  
Pediatric Residency Program, University of Louisville
- “Moving Mountains: Local/Global Health.”  
Course Director & Speaker  
Half-Day CME Accredited New Inter-Disciplinary Global Health Conference.  
ETSU Quillen College of Medicine. April 28, 2018.
- “Global Healthcare: Disease Treatment & Prevention (# PMPR 7131),” ETSU  
Module Coordinator & Primary Curriculum Author, Module 3: Infectious Diseases  
New, Inter-disciplinary course for medical, pharmacy, public health & nursing students  
Fall 2017 and Fall 2018
- “Global Health 101” Senior Pediatric Resident Elective, Curriculum Creator & Leader  
April 2014, April 2015, March 2017, April 2018
- Global Health Curriculum for Pediatric Resident Core Conference Series,  
July 2013 – Dec 2015
- REACH (Residents Educated in Alternative Cultures and Health)  
Health-System Wide Inter-disciplinary Global Health Curriculum & Interest Group.  
Founding Member, 2003.  
Leader & Coordinator, July 2010 – Dec 2015.
- Patient Safety Rounds Curriculum & Lectures (“Oops Rounds”) - Monthly lecture series  
focused on Patient Safety & Errors, July 2008 – Dec 2015
- TeamSTEPPS Trainer & Curriculum Contributor - Team communication skills training  
based on national AHRQ curriculum taught to employees of all disciplines (physicians,  
nurses, social work, etc). Several hundred employees trained. Spring 2008 – Dec 2015.
- Schwartz Rounds Planning Committee, Presenter & Facilitator, 2009 – Dec 2015.
- HEARTT (Health Education and Relief Through Teaching) National Pre-Departure  
Symposium for Liberia  
Course Director & Speaker, Baystate Medical Center, MA. July 12-13, 2013

## UNIVERSITY LECTURES & TEACHING RESPONSIBILITIES

- Ebola, University of Louisville Pediatrics Noon Lecture, Nov 18, 2022
- Global Health 101, University of Louisville Pediatrics Noon Lecture, Aug 19, 2022
- Malaria, University of Louisville Pediatrics Noon Lecture, January 21, 2022
- Vaccine Preventable Diseases, University of Louisville Pediatrics Noon Lecture, July 2021
- Neonatal Herpes Infection: When to Worry, University of Louisville Pediatrics Noon Lecture, Dec 2020
- Neglected Tropical Diseases, University of Louisville Pediatrics Noon Lecture, Jan 2020
- Malaria, University of Louisville Pediatrics Noon Lecture, Nov 2019
- Fluid Management of Hospitalized Children, University of Louisville Pediatrics Noon Lecture, July 2019

### Quillen College of Medicine, East Tennessee State University, Johnson City, TN:

- Global Healthcare: Perspectives & Practice, ETSU School of Pharmacy (# PMPR 7126)  
Feb. 2016 - 2018
  - Global Health Agencies
  - Global Health Policy
  - Healthcare in Liberia
- Global Healthcare: Disease Treatment & Prevention, ETSU (# PMPR 7131)
  - New Course – module coordinator & curriculum contributor
  - Module Coordinator – Module 3 Infectious Diseases Fall 2017 and Fall 2018
    - Prevention & Treatment of Neglected Tropical Diseases
    - Prevention of Mosquito Borne Infections
    - Treatment of Malaria
    - Treatment of Mosquito Borne Illnesses A – Z
    - Prevention & Treatment of Measles
    - Treatment of Malnutrition, Anemia and Electrolyte Disturbances
- Pediatric Resident Lecture Series – Nelsons Curriculum & Hospitalist Lectures
  - Fever in Returning Traveler – Feb 2018, Aug 2016
  - Malaria – January 2018, July 2016
  - Fluid Management in the Hospitalized Patient – Aug 2017, May 2016
  - Advocacy in Pediatrics – May 2017
  - Measles – Aug 2016
  - An Introduction to Global Health – March 2016
  - Patient Safety and Medical Errors – Feb 2016
- Morning Report Lectures 8x / year
- Medical Student 3<sup>rd</sup> year core curriculum lectures – Respiratory Illnesses, 3x / year
- Advisor, Medical Student Global Health Interest Group
- Advisor, Medical Students for National Health Plan Interest Group

## **UNIVERSITY & ACADEMIC COMMITTEE PARTICIPATION**

- Pediatric Global Health Steering Committee, University of Louisville  
Committee Chair, July 1, 2022 – current; Member, 2019 - 2022
- ACGME Core Faculty, Pediatric Hospital Medicine Fellowship, University of Louisville, 2022 – current
- Clinical Competency Committee for Med/Peds Residency, University of Louisville, 2019 – current
- Grant Reviewer, Inaugural ETSU Department of Pediatrics Research Grant, 2018
- Pediatric Residency Performance Evaluation Committee, Member, 2018
