

DISTINGUISHED SERVICE TO COMMUNITY, COMMONWEALTH AND REGION NOMINEE

Navjyot K. Vidwan, MD

Associate Professor
Department of Pediatrics

- ▶ Provides leadership in state-wide educational and research projects on antibiotic stewardship and HPV vaccination to positively affect the lives of Commonwealth citizens and help protect the nation from unnecessary health crises
- ▶ Willingness to share knowledge with rural health providers
- ▶ Efforts have led to a decrease in unnecessary antibiotics at Norton Children's Hospital, with increased tailoring of medications to reduce microbial resistance
- ▶ Work has resulted in hospital being named a Center for Excellence for Antimicrobial Stewardship
- ▶ Developed quality improvement programs to increase outpatient administration of HPV vaccine, which will lower rates of cervical, head and neck cancers in KY
- ▶ Goes above and beyond to help citizens in KY improve healthcare
