Department of Pediatrics COVID-19 Resources

<https://louisville.edu/medicine/departments/pediatrics/pedsCOVID19>

The screenshot shows the University of Louisville School of Medicine website. The top navigation bar is red with the UL logo, a search bar, and links for ACADEMICS, RESEARCH, PATIENT CARE, OUTREACH, and GIVING. Below the navigation bar, the page title is "Department of Pediatrics" with a breadcrumb trail: Home / Departments / Department of Pediatrics / Pediatrics response to COVID-19. A sidebar on the left lists various departmental links, with "Pediatrics response to COVID-19" highlighted in red. The main content area features the heading "Pediatrics response to COVID-19" and a paragraph explaining the department's responsiveness to guidelines. Below this, a section titled "Chair's Messages to faculty and staff" provides instructions on how to access resources and lists three specific messages from March 2020. A "Resources" section at the bottom follows a similar instruction pattern. Social media sharing buttons for Facebook and Twitter are visible in the top right corner of the content area.

School of Medicine Graduation Video Submissions

Faculty and staff photos Requested –

If you would like to be included in the SOM Graduation Video, please submit 1-2 photos (MAX). The faculty and staff photos will be a few per slide, as opposed to the students who will each have their own.

One photo with a sign that has a message... "we'll miss you!" or "congratulations on your match!" or "we're so proud of you".... something along those lines. Please do not reference the corona virus or anything like, "you'll get through this!". The goal is to keep it focused on the students and not on the current state of affairs.

A **second photo** could include you with students, or a "Throw Back" to your Med School days...

The goal is to spread some cheer and honor the students' journey! **Deadline is May 6!**

**Send pictures of Peds faculty, staff,
and learners who are:**

- Healthy at Home**
- Healthy at Work**
- Having Fun**
- Doing good in the Community**

to PedsNews@Louisville.edu

We will get through this together!
