Research - Jan Sullivan | Research (see slides)

- [July Pediatric Grand Rounds](#) presentation given to update about the Norton Children’s Research integration
- 16 positions open & posted
- Updates to NIH Biosketch & support, must use by January 2022, will send detailed recording when available
- All clinical research must run through UofL & NHC
- Reminders of upcoming PIRATs ScholarSHIP Conferences; September is Fall Research in Progress, great opportunity to present abstracts etc., reach out to Stevenson, all sessions recorded
- [New research website online now](#), use UofL user ID and Password to access the internal resources page, if on Norton computer use Chrome, please take time to explore information available on the site
 - You are now able to [self-report](#) research accomplishments on the internal resources page, faculty encouraged to utilize

Clinical - Jenn Evans and Susan Friedrich

- Risk Management, Essential Staff (EST) and Compliance Training are all due August 31
- NGoodHealth due September 15
- Shared Patient Experience data: 90th percentile in 8 areas; 75th percentile in 2 areas; 50th percentile in 12 areas, mostly general pediatrics; thank you and congrats
- July first month NCMG met RVU budget, volume coming back, seeing improvement, thanks to all for working with patients and schedules

Wins & Misses – Dr. Brian Holland (Cardiology)

- Win – Cardiology Division integrating with Pediatric Heart Care Partners in September, brings number of cardiologists to 20; will include more offices in Kentucky including 5 Indiana offices bringing the total sites to 18 locations
- Miss – Staffing challenges, specifically with travel team and MA’s; the director has gone to the MA school to talk about Pediatric Cardiology; they are looking at salaries; currently only staffing for one provider at a time, goal is to have two providers; working to optimize going forward; ideas, recommendation welcome

Use of this information is for internal UofL Department of Pediatrics’ audiences.
