

# Evan Dunbar

## LECTURESHIP SERIES

Special thanks to the Dunbar family and the  
Norton Children's Hospital Foundation

### Live in-person event

#### Part 1

Successes and Challenges  
in Pediatric Cancer:  
The Children's Oncology Group  
Perspective

**Thursday, Aug. 19, 2021**  
5:30 to 7:30 p.m. EDT

The Olmsted • 3701 Frankfort Ave.  
Louisville, Kentucky

### Virtual event

#### Part 2

Pediatric Grand Rounds  
Biology and Treatment of  
Rhabdomyosarcoma: Lessons From  
the Children's Oncology Group

**Friday, Aug. 20, 2021**  
8 to 9 a.m. EDT

To register, visit [NortonHealthcare.com/EvanDunbarProviders](https://www.nortonhealthcare.com/EvanDunbarProviders) or call **(502) 629-1234**, option 4.

The Olmsted follows guidelines recommended by the Centers for Disease Control and Prevention. Guests who are vaccinated have the option to wear a mask. Unvaccinated guests are required to wear a mask.

**NORTON**  
**Children's**  
Cancer Institute

Affiliated with **U of L** SCHOOL OF MEDICINE

## Guest speaker

### **Douglas S. Hawkins, M.D.**

Chair, Children's Oncology Group  
Center for Clinical and  
Translational Research  
Seattle Children's Hospital

Professor of Pediatrics  
Hematology/Oncology Division  
University of Washington School  
of Medicine  
Seattle, Washington

Douglas S. Hawkins, M.D., is chair of the Children's Oncology Group (COG). COG is the world's largest organization devoted exclusively to childhood and adolescent cancer research. It unites over 10,000 childhood cancer specialists at more than 200 leading children's hospitals, universities and cancer centers across North America, Australia and New Zealand in the fight against childhood cancer. Dr. Hawkins also is a clinician at Seattle Children's Hospital and a professor of pediatrics at the University of Washington School of Medicine in Seattle.

Previously, Dr. Hawkins was the chair of the COG Soft Tissue Sarcoma Committee, overseeing biology studies and clinical trials for rhabdomyosarcoma and other soft tissue sarcomas across North America. Dr. Hawkins also was a member of the COG Bone Tumor Steering Committee. His academic career has focused on clinical research, particularly in the treatment of pediatric sarcomas. He was the chair of two COG clinical trials, one for Ewing sarcoma and another for rhabdomyosarcoma. He chairs the international Euro Ewing Consortium External Advisory Board and Data Monitoring Committee for the international FaR-RMS Study for children and adults with frontline and relapsed rhabdomyosarcoma.

## Evan Dunbar Lectureship - Live in-person event

### **Part 1**

Successes and Challenges in Pediatric Cancer:  
The Children's Oncology Group Perspective

### **Thursday, Aug. 19, 2021**

5:30 to 7:30 p.m.

The Olmsted

Open to the public

| <b>7:30 p.m.</b> | Adjournment                           |

## Target audience for Aug. 19, 2021

---

This activity is targeted toward adult and pediatric physicians, physician assistants, nurse practitioners and nurses in the practice specialties of pediatrics, internal medicine, family medicine, general practice, pathology, family practice, oncology (and subspecialties), surgery, genetics, ophthalmology, plastic surgery, immunology, urology, internal medicine, obstetrics/gynecology and psychiatry, as well as cancer patients and their family members.

## Learning objectives

---

1. Discuss the role of the Children's Oncology Group in pediatric cancer research.
2. Describe the potential for molecular profiling to guide treatment in pediatric cancer and barriers to implementation.
3. Identify barriers to new agent development in pediatric oncology.

## Educational need

---

This program is designed to present advanced information from the Children's Oncology Group. Providers should be able to encourage pediatric patients' inclusion in cooperative biologic studies without clinical trials for especially rare cancers; and assess/treat patients who would most benefit from precision medicine.

## Location and parking

---

The Olmsted is located on the grounds of Masonic Homes Kentucky, 3701 Frankfort Ave., across the street from Bauer Avenue. The entrance to the Masonic Homes campus is marked by two large brick pillars. Turn into campus and bear to the right, continuing around the circle until you arrive at the main pillared building at the head of the property. Parking is available at no charge on the grounds adjacent to the facility.

## Continuing education credits

---

### Part 1: Successes and Challenges in Pediatric Cancer: The Children's Oncology Group Perspective

#### Physicians

**Accreditation:** Norton Healthcare is accredited by the Kentucky Medical Association to provide continuing medical education for physicians.

**Designation:** Norton Healthcare designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **American Board of Internal Medicine (ABIM) MOC Credits**

Successful completion of this CME Activity, which includes participation in the evaluation component, enables the participant to earn up to 1.5 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

#### **American Board of Pediatrics (ABP) MOC Credits**

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 1.5 MOC points in the American Board of Pediatrics (ABP) Maintenance of Certification (MOC) program. It is the CME provider's responsibility to submit participant completion information to the ACCME for the purpose of granting ABP MOC credit.

For questions related to continuing medical education, contact the Norton Healthcare Center for Continuing Medical, Provider and Nursing Education at **(502) 446-5955** or **[cme@nortonhealthcare.org](mailto:cme@nortonhealthcare.org)**.

#### **Nurses**

Kentucky Board of Nursing (KBN) Approved Provider: Norton Healthcare, provider number 4-0002-12-22-107. The program has been approved by Norton Healthcare for 1.8 contact hours which expires 12/31/2022. KBN approval of a continuing education provider does not constitute endorsement of program content. Nursing participants must attend the entire program, attest to the number of hours of attendance, and complete the evaluation to receive contact hours.

For more information related to nursing credits, contact Sally Sturgeon, DNP, R.N., SANE-A, AFN-BC, at **(502) 446-5889** or **[sally.sturgeon@nortonhealthcare.org](mailto:sally.sturgeon@nortonhealthcare.org)**.

## Disclosure

---

Norton Healthcare adheres to the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education, including the Standards for Commercial Support, regarding industry support of continuing education. During the planning process, all individuals in a position to control the content of this educational activity (course directors, planners, presenters) must disclose all relevant financial relationships they have with commercial interests, as well as the nature of the relationship that may be a potential conflict of interest. These are assessed by the Norton Healthcare Center for Continuing Medical, Provider and Nursing Education to ensure adequate resolution of any identified conflicts prior to the activity. Disclosure of faculty and commercial relationships, as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the faculty, will be disclosed at the activity. Further, all physician attendees will be asked to evaluate all speakers' content for bias and balance at the symposium.

## Course director

---

### Joseph M. Flynn, D.O., MPH, FACP

Chief administrative officer, Norton Medical Group  
Physician-in-chief, Norton Cancer Institute

## Planning Committee

---

Karen Busse, M.S., CCMEC

Adam Fields, CFRE

Sandra Stroud, B.A., CCMEC

Sally Sturgeon, DNP, R.N., SANE-A, AFN-BC

Lauren White, CAP-OM

## Planner and faculty disclosure

---

Norton Healthcare adheres to the Accreditation Council for Continuing Medical Education (ACCME) accreditation requirements and policies, including the Standards for Commercial Support, regarding industry support of continuing education. In addition, Norton Healthcare adheres to the American Nurses Credentialing Center Essential Areas and Policies. During the planning process, all individuals in a position to control the content of this educational activity (course directors, planners and presenters) must disclose all relevant financial relationships they have with commercial interests, as well as the nature of the relationship that may be a potential conflict of interest. These are assessed by the Norton Healthcare Center for Continuing Medical, Provider and Nursing Education to ensure adequate resolution of any identified conflicts prior to the activity. Disclosure of faculty and commercial relationships, as well as the discussion of unlabeled or unapproved use of any drug, device or procedure by the faculty, will be disclosed on-site to activity participants. Further, participants will be asked to evaluate the speaker's content for bias and balance at the activity.

The speaker and planning committee members do not have any relevant commercial relationships related to this activity to report.

## Special needs

---

Norton Healthcare is committed to making this conference accessible to all individuals. At the time of registration, please describe any auxiliary aids or services (identified in the American with Disabilities Act) needed. Advance notification of any special requests will help us accommodate your needs.

## Cost of program

---

These activities are being offered to attendees at no cost, but preregistration is required and seating may be limited.

## Registration

---

To register for Thursday, Aug. 19, call **(502) 629-1234**, option 4, or visit **NortonHealthcare.com/EvanDunbarProviders**. Registration is due by Aug. 16, 2021.

## Cancellation policy and walk-in registration

---

Catering numbers are estimated based on registrations received by Aug. 16; therefore, we cannot guarantee a seat or dinner for walk-ins. If you must cancel, call **(502) 629-1234**, option 4, by Monday, Aug. 16.

## Evan Dunbar Lectureship – Pediatric Grand Rounds

### Part 2

Biology and Treatment of Rhabdomyosarcoma: Lessons  
From the Children's Oncology Group

**Friday, Aug. 20, 2021**

8 to 9 a.m. EDT

Virtual presentation

### Target audience

---

This activity is target toward physicians and health care providers who are interested in the latest advancements in pediatric cancer treatment and research specific to rhabdomyosarcoma.

### Cost of program

---

This activity is being offered to attendees at no cost.

### Registration

---

Registration is not necessary for this event. You are invited to attend virtually. To attend, visit **NortonGrandRounds.com** and select the Evan Dunbar Lectureship.

### Physicians

**Accreditation:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Norton Healthcare and the University of Louisville, Department of Pediatrics. Norton Healthcare is accredited by the Kentucky Medical Association to provide continuing medical education for physicians.

**Designation:** Norton Healthcare designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
