The screenshot shows a Zoom meeting in progress. The main window displays a presentation slide titled "Craniosynostosis" with a blue arrow pointing to it. The slide content includes:

- Craniosynostosis is the premature fusion of one or more of the cranial sutures
- About 8% of the patients have familial or syndromic forms of synostosis, the remainder occur as a spontaneous isolated defect
- >150 syndromes associated with Craniosynostosis
- Familial craniosynostosis syndromes are typically transmitted as an autosomal dominant trait resulting in disruption of the fibroblast growth factor receptor pathway

At the bottom of the slide, there is a small status bar that says "You are on a shared screen" with a "View Details" button.

On the right side of the screen, there is a sidebar with the following sections:

- 72 Attendees**
- Moderator (1)**
 - CME Code: 130319
- Presenter (1)**
 - Presenters: Angela and Erin
- Participants (70)**
 - Adam Patterson
 - Alan Jenkins
 - Alexander Asamoah
 - Amber Hussain
 - Angela Sibila
 - Ankura
 - Ashok Raj
 - Becca Hart
 - Blue Team (Kscope)
 - chris peters
 - CJ
 - Colleen
 - Dan Arnold
 - Devin VanWanzele
 - Elisa Arthur
 - Ellie
 - Erica Ramsey
 - Erin McCoy
 - Erin Owen
 - ETan
 - Felicia
 - Netcher O.

A blue circle highlights the bottom of the participant list, showing icons for chat, video, and other controls.
