

June 7, 2021 - Department of Pediatrics Faculty Meeting Recap

Dr. Kimberly Boland | General Announcements and Chair Update

- Recognized retirees, David Adamkin, Larry Cook, George Rodgers
- Remote Work Policy goes into effect July 1. Please review, will discuss at division chief's meeting. Chiefs will need to share plan for staff with chair by the end of month. Dean Ganzel's expectation is that at least one department staff be on campus every day - it does not have to be the same staff person every day
- Reviewed upcoming faculty ballots
- Research integration effective July 1

Academic | Education

Multerer | Office of Medical Education, Residency Program

- Reviewed list of upcoming events, graduation will be June 25

Korte | Office of Medical Education, Student Affairs

- Reviewed Pediatrics Summer Externship for June and July, medical students just completed first year, interested in Pediatrics, chosen through selection process, this year the SOM will give credit, reviewed expectations, grade needs to be given (see slides)

Research

Jan Sullivan | Research (see slides)

- Integration effective July 1, Norton Children's Research Institute, inclusive of all pediatric research except basic science
- Pediatrics Research Update will be given on July 23 as part of Grand Rounds with more in-depth update including information on access to services
- All research must continue to go through UofL, reach out early for assistance, process more efficient this way
- Michelle Stevenson reviewed PIRATs ScholarSHIP Conferences next three sessions; CME included

Clinical

Vicki Montgomery

- Reviewed patient safety update (see slides)

Wins & Misses

- Kupper Wintergerst gave examples of a win and a miss from his division
- Kim Boland noted a division will be featured each month going forward
