

DEI UPDATE

1. Informational meetings continue with each division to assess current DEI activities and develop strategies to advance DEI further.
2. The book club completed the 4-session series discussion of the book, Medical Apartheid. The DEI committee is looking for the next book to discuss.
Recommendations are greatly appreciated.
3. The DEI committee will be developing a multi-week DEI challenge, including readings, videos, podcasts, etc. to enhance engagement, an on-line discussion board will follow each activity. Recommendations of activities to potentially include are welcomed.
