

## **Pediatrics Advocacy Update – April 202**

Written By: Brit Anderson, MD

**KY AAP legislative task force will host a virtual post-assembly conversation** in May. Stay tuned for the details.

**AAP Legislative Conference:** Drs. Nicolson, Lyvers, and Gallegos met with Congressman Morgan McGarvey In Washington DC at the AAP's legislative conference held every spring. Scholarships are available for faculty-residency pairs working on projects- consider this for the future!

### **Advocacy and Wellness- Trees Louisville**

Increasing Louisville's tree canopy is a big job requiring a community-wide commitment. We need people like you to help us plant and prune trees and educate others about trees' critical role in our city. Check out the focus on JCPS sites- [Volunteer with TreesLouisville](#)

### **Going to PAS?**

There are many sessions focused on advocacy, health equity, policy, and specific topics: [PAS 2023 \(pas-meeting.org\)](http://pas-meeting.org)
