- Resident Grand Rounds in person Thursdays at Noon, lunch provided, love to have more faculty join
- Please complete evaluations
- Faculty Development, survey to gauge interest, low interest in formal certificate programs, faculty would like to learn more around business side of Medicine and Leadership, working on series for faculty

Matt Kinney – Practical Pediatrics (see slides)

- Matt Kinney and Marian Morris are directors for the UofL SOM *Transition to Residency* Course for Pediatrics, course started in 2012, a month-long elective in the Spring of the 4th year
- 21 students this year, they were very happy with the course, much happens in a month long course
- Added hand-off skills this year
- Thanks to all who helped
- If want to add educational endeavor to the course for 2024 which starts around Valentine's Day each year, let Matt and/or Marian know

Advocacy Update – Brit Anderson (see slides)

- Congrats to Ally Hardin on CATCH grant awardee, navigating preschool process, partnered with Metro United Way
- Many resources available in the AAP advocacy guide
- AAP advocacy residents – highlighted residents, met with congressperson McGarvey, Senators McConnell and Paul,
- Injury Prevention, leading killer of children, Columbia University has a conference in May on Accelerating Equity through the Science of Safety
- Injury free coalition for kids conference in December, Ft Lauderdale
- Firearm injury research interest, contact Brit
- Legislative Advocacy Resources
 - KY AAP, SB150 and Post session meeting in summer 2023
 - Ky Youth Advocates, if interested in policy, local things, non-partisan
- Opioid Abatement Funding, distributing over next 18 years, \$842 million, planning toolkit; Boland noted they are working with foundation leaders across the state and others on plans to apply for funding related to prevention & treatment,
- Community based learning institute, free three half day program to assist faculty, May 24 – 26, 9am-2pm, Ekstrom Library

Use of this information is for internal UofL Department of Pediatrics' audiences.

Clinical – Vicki Montgomery – Safety Update (see slides)

- Two safety moments, catches by environmental services team members, fire door and dirty linen
- Reaching for Zero Dashboard, challenging year so far, one of the few areas looking at is CLABSI, going to units to ask questions, gain knowledge, taking to travelers, gaining helpful info
- Presenting 1st quarter Reaching for Zero Hero, April Glass
- April good catch of the month winner, Ashley Raney
- March good catch of the month winner, Leydi Blanton
- Guidelines - Learning Experience Platform for LXP - demonstrated how to click on striped folders, open a guideline, open a PDF; is downloadable, on “My Dashboard”, if don’t see let Vicki know; if faculty have algorithms use regularly, can put them on there; access with any device, do not have to be in remote access mode
- Reaching for Zero (R4Z) Focus - Communication
- Reminder to nominate a Reaching for Zero hero
- Ncards wonderful way to recognize others
