EDUCATION

2005-2009 B.A. in Zoology, Miami University, Oxford, Ohio
2009-2013 M.D., Southern Illinois School of Medicine
2013-2014 Surgical Internship, Oregon Health and Science University, Portland, Oregon
2014-2018 Radiology Residency, Loyola University Medical Center, Maywood, Illinois
2018-2019 Interventional Radiology, Washington University, St. Louis, Illinois

ACADEMIC APPOINTMENTS

07/2019 Assistant Professor
Department of Radiology
University of Louisville
Louisville, KY 40202

CERTIFICATION AND LICENSURE

06/2019 Kentucky Medical License
06/2018 Illinois Medical License(expires 07/2020)

PROFESSIONAL MEMBERSHIPS AND ACTIVITIES

2014-2018 Society of Interventional Radiology
2014-2018 American College of Radiology

EDUCATIONAL ACTIVITIES

2014-2018 Pathway for Additional Certification in Education
Certification entailed theories of adult learning, giving of additional lectures, and mentoring medical students. Final project was the creation of a test to certify residents to read V/Q scans overnight.

2015-2018 Interventional Radiology Bootcamp
Edited, augmented and executed a course to prepare first year radiology residents for IR rotation, including didactic lecture, suture tying, and ultrasound phantom lab.

ABSTRACTS AND PRESENTATIONS

POSTERS

2016 Chicago Radiological Society. A primer on contrast reactions. Bryan Glaenzer and Nancy Budorick

2016 St. Albert's Day. Update on percutaneous drainage. Glaenzer B., Mahon S., Malamis A., Molvar C.

2016 Society of Interventional Radiology. Percutaneous minimally invasive techniques for the treatment of spinal metastases. Stephenson M.B., Glaenger B., Malamis A.

2017 Society of Interventional Radiology. Managing tunneled/implanted central venous access devices in patients with bacteremia: a comparative analysis across two institutions. Dombrowski J., Ogilvie R., Glaenger B., Molvar C., Ozga T., Borge M., Malamis A., Amin P.

2017 Society of Interventional Radiology. Update on contrast induced nephropathy for interventional radiologists. Glaenger B., Hibbein J., Amin P.

2018 Society of Interventional Radiology. Comparison of minimally invasive weight loss procedures; surgical, endoscopic, and endovascular. Glaenger B., Malamis A., Parag A.

2019 Society of Interventional Radiology. Percutaneous gallstone removal: technical update, tips and complications. Glaenger B., Picus D., Kim S.
